SEND THE WOOD A PETROGRAM

The 1983 green & white is dedicated to Coach
John "Petro" Petrosian

The *Wood Works* . . . thanks to Petro!

The Annual Staff of '83 has a respectful dedication.

We couldn't have picked a better choice throughout our whole nation.

He started coaching here on Valentines Day in 1972.

Since then he's been doing a lot for us and IHS too.

He graduated from Cal State with a high degree.

Some weekends he goes Armenian dancing when his time is free.

He's been the Big "I" sponser Guy for five glorious years.

He's helped our teams to deserve the best of cheers.

Inglewood respects him for what he has done.

And when it comes to coaching, he is number one!

Whatever he has coached-football, baseball or track,

He took them all to CIF, all the way there and back!

He's coached girls' softball which is his favorite of all,

and he also coaches girls' varsity basketball.

He's happily married and he has two sons.

He's full of life and full of fun.

His hobbies are plain too see;

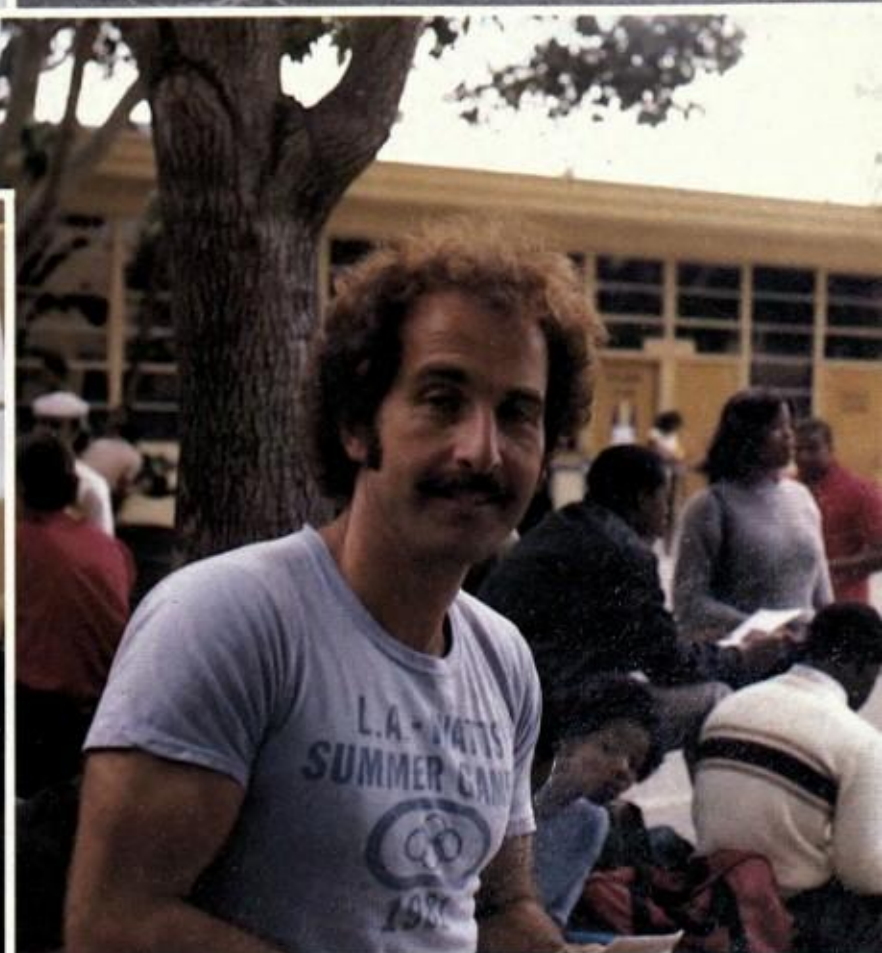

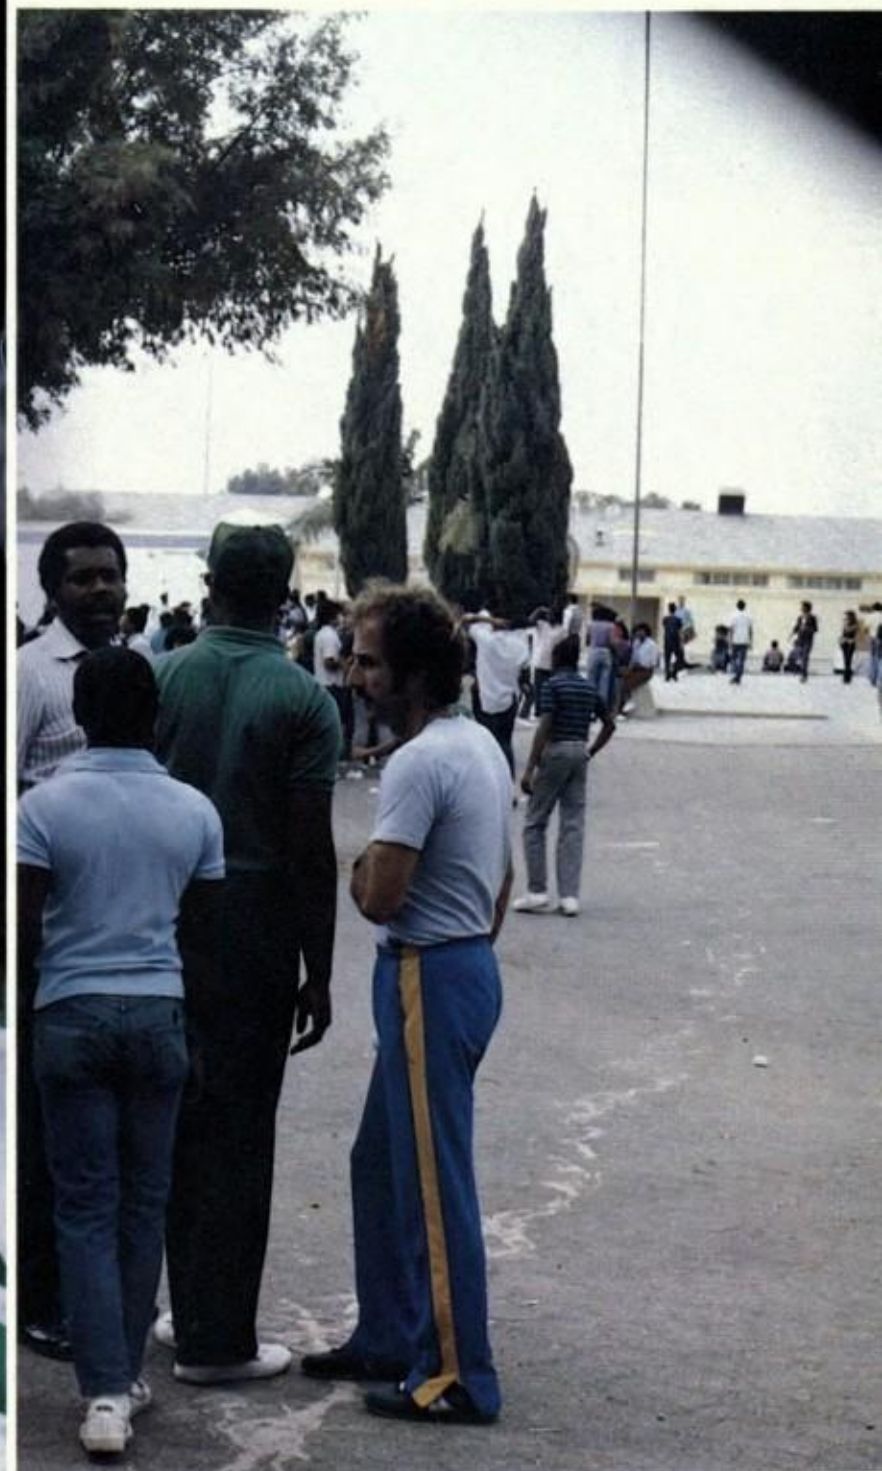

He loves coaching people like you and me.

He even stays after school to help some days.

His helping hand has assisted us in so many ways.

So thank you for all your work, we're glad that your came here.

If it weren't for Ovaness Petrosian, the sun wouldn't shine each year.

Meet The Principal Of The Wood Works

This has been a great school year! There were many things that were responsible for the feeling of success and achievement that we share. For some it may have been the loyalty and pride shown at our athletic events. For others the academic success achieved in the classroom may have been paramount. Physical improvements in facilities may be remembered by many as areas of note.

My greatest source of enjoyment was seeing our students continue to grow, and develop to become good citizens and scholars.

A special thanks goes to the class of '83 for providing good examples of leadership for underclassmen to follow. Thanks to our faculty and staff for parts that they played in making this possible.

We truly are a "School of Champions!"

Sincerely,

Louis C. Thomas, Principal

Janina shows that even the youngest Thomas has the IHS spirit.

Our President Rates An "A"

As the 1982-83 school year comes to a close, I can see the satisfaction of successful achievements glowing in the eyes of my fellow graduates. Inglewood High School has given its students the opportunity to develop, to exercise, and to refine their potential abilities, in order to form unique characteristics of individuality. My goals this year were to inspire students to participate in school related activities and to be enthusiastic about preserving the spirit of the Wood.

Fellow classmates, whichever paths you take on in life's many highways, be steadfast in your efforts to achieve. I wish everyone success and happiness in the years that lie ahead.

Kimberly Hines
ASB President

SENIORS SHINE

And it came to pass that the seniors would gather, not in a square, but on a field. Why? To show that '83 was a class among classes. They reached for the stars. All hailed the mighty class of 1983.

ON THE WOOD

"If This World Were Mine"

Presenting The 82 Homecoming Court

There was an unusual amount of excitement and tension at the 1982 Homecoming Game. Besides the usual excitement of the football game, the Senior Homecoming King and Queen had not yet been announced! The running up couples were Tracey Ramez and Derrick Abell up against Michael White and Dortha (Dee Dee), Satterfield. As the suspense mounted, our Sentinels managed to maintain a lead over the Olympians in the first half, but it was the half-time activities that caused the real anticipation! Half-Time! The results of the school wide election were announced. The 1982 Homecoming King and Queen were Derrick Abell and Tracey Rameriz. Unfortunately in the second half, the cheer "Olympians for breakfast, Olympians for lunch, Olympians for dinner and crunch, crunch, crunch", didn't lead I.H.S. to the sweet taste of victory, only indigestible defeat.

The 1982 Homecoming Court: Joe Harris, Tammy Singleton, Michael White, Dee Dee Satterfield, Mr. Thomas, Tracey Ramez, Derrick Abell, Shelly Dillard, Bryan Browning, Tammy Brown, Reggie Lewis.

1981 Queen, Gina Wilbarne, Mr. Thomas, Queen Tracey Ramez, King Derrick Abell, Mrs. Rosemary Benjamin, President, Board of Education, Richard Hairston, 1981 King.

Seniors: Dee Dee Satterfield and Michael White
Juniors: Tammy Singleton and Joel Harris

Sophomore: Shelly Dillard and Bryan Browning
Freshmen: Reggie Lewis and Tammy Brown

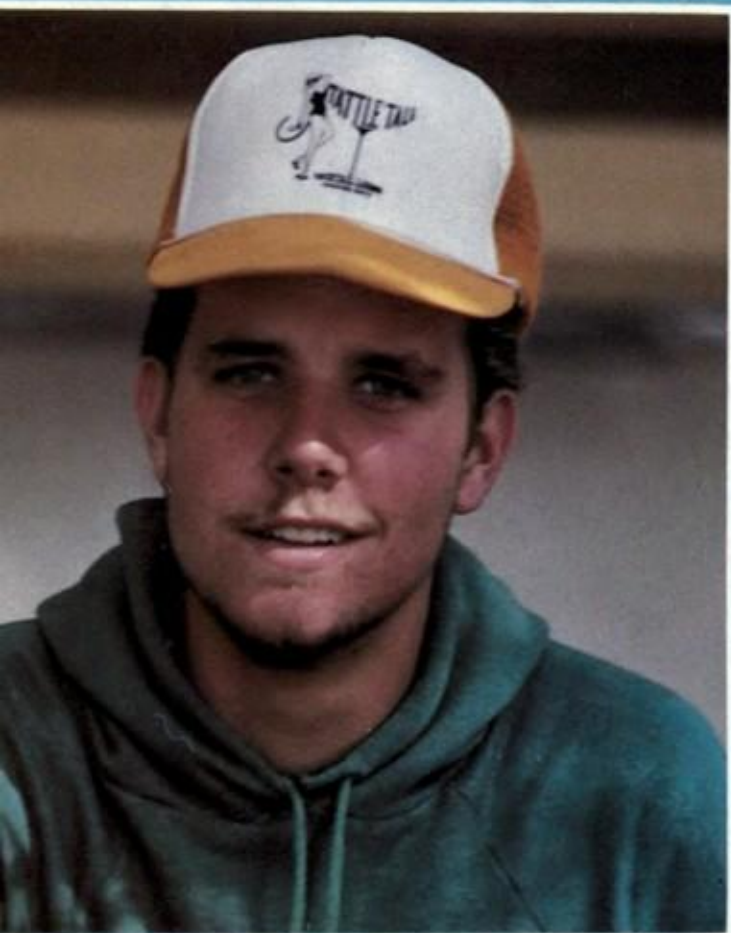

Teddy Johnson carries Paul Saunders' hand off pass to the 50 against Leuzinger.

Teddy gets "yanked" by Leuzinger defensive man.

The Wood Works During The Day

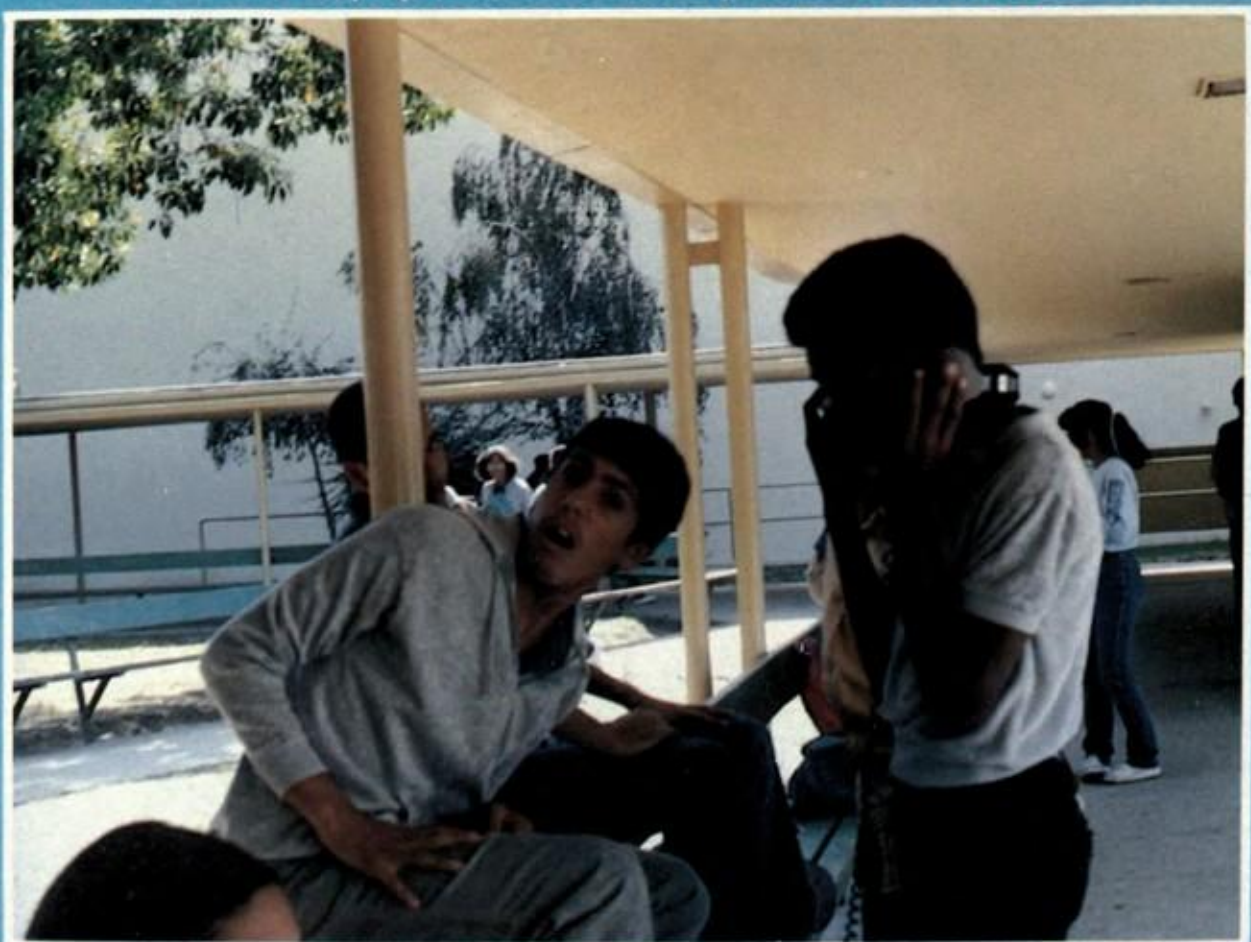

"The Wood works from the inside out." At times finding the inside or exact center was not easy. Even flashes of scenes on campus didn't always answer this question. One thing was for sure though, small beginnings and dreams grew to large successes and triumphs.

Tim Ayers—the blue-eyed heart throb of Inglewood High
John Proctor and Gerald Hood observe the rigorous training of the freshmen.

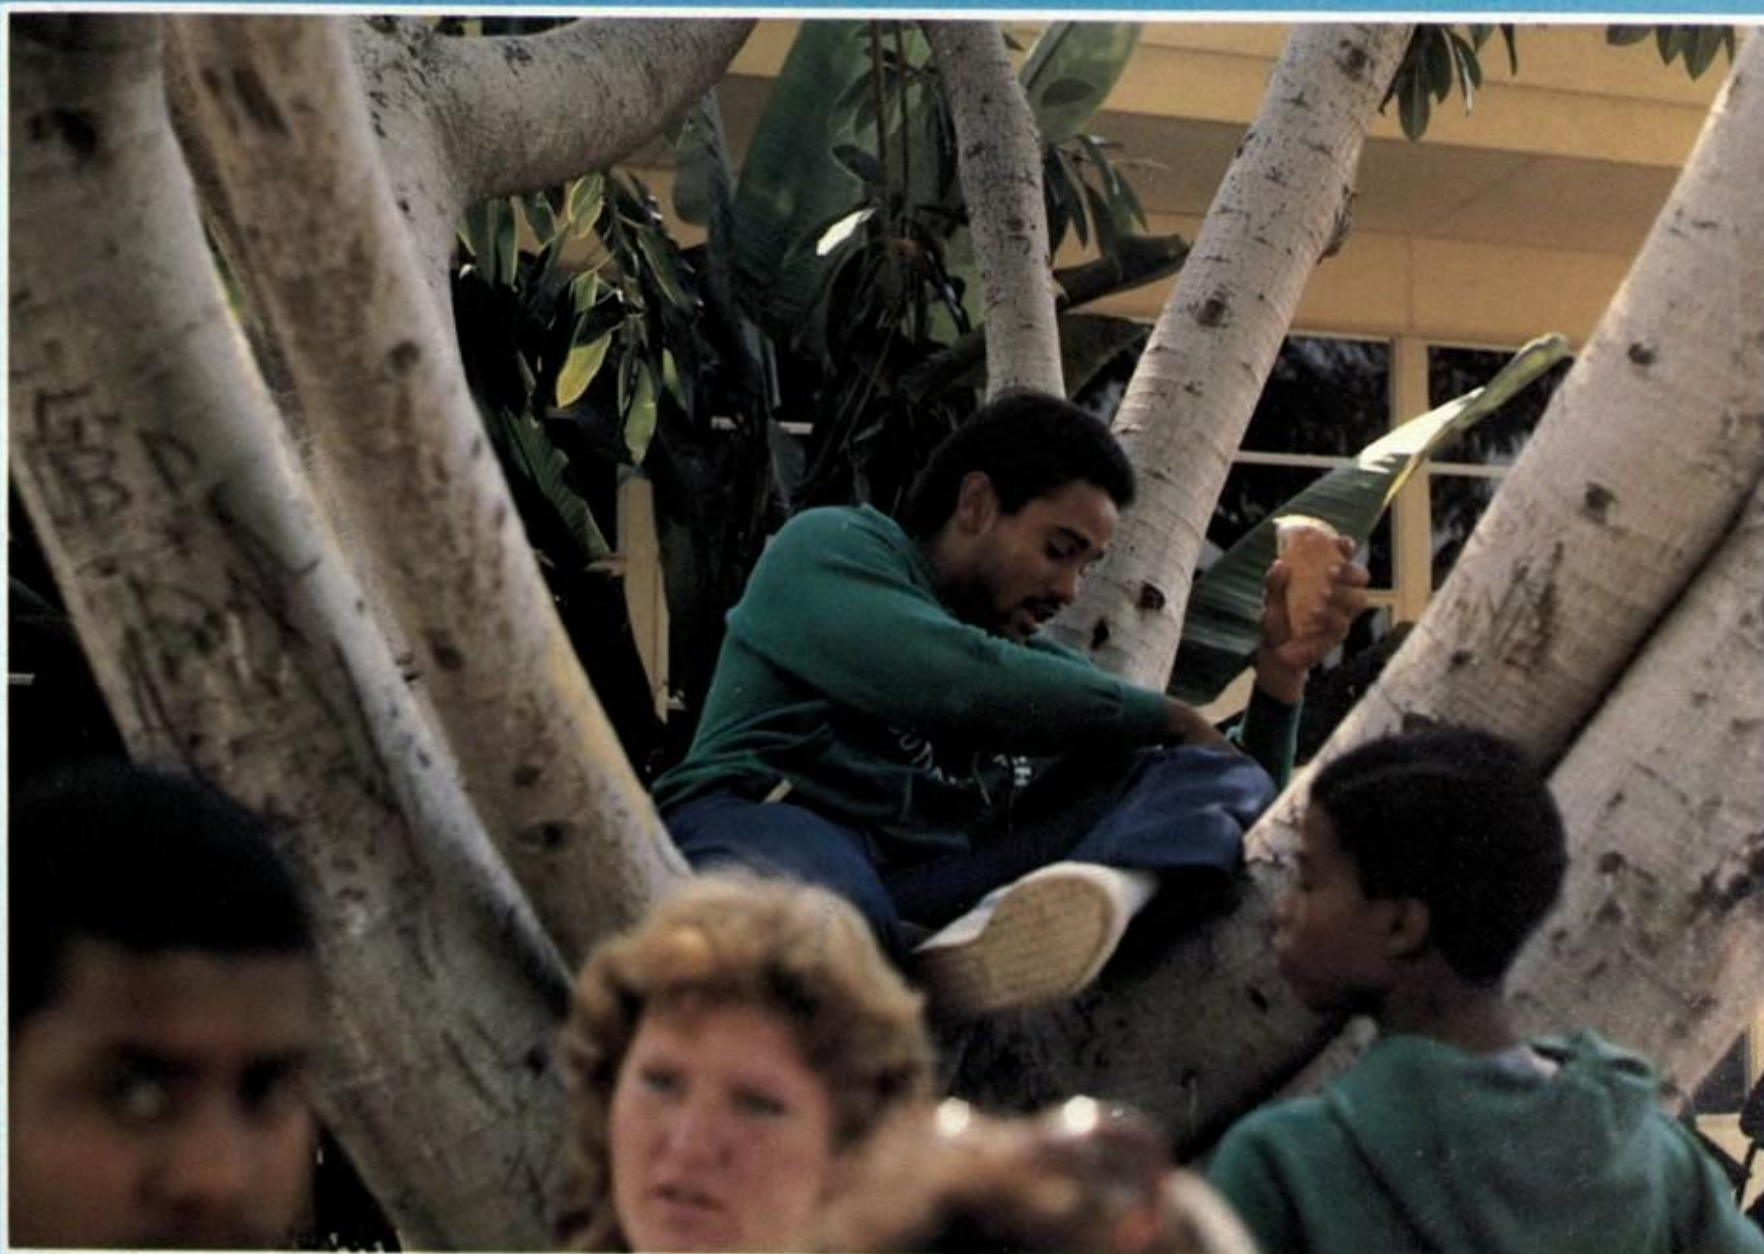

Robin McKinney & Evalyn Beauchamp enjoy school life.
Rob Grey says to Marc O'Bannon, "I just love the sound of ZAP."

Margarita Huaco and friends are flipping out at the Wood.

Seniors Run For The Wood

Will combing his hair inside a car improve Kevin Hawkin's looks?

Rita Bryant is showing off her Garfield.

It took four long years, but the class of 1983 finally came into their own. The class set a precedent that will long be remembered, for who could ever forget the Burgandy and Gray of the Sizzling Seniors of '83.

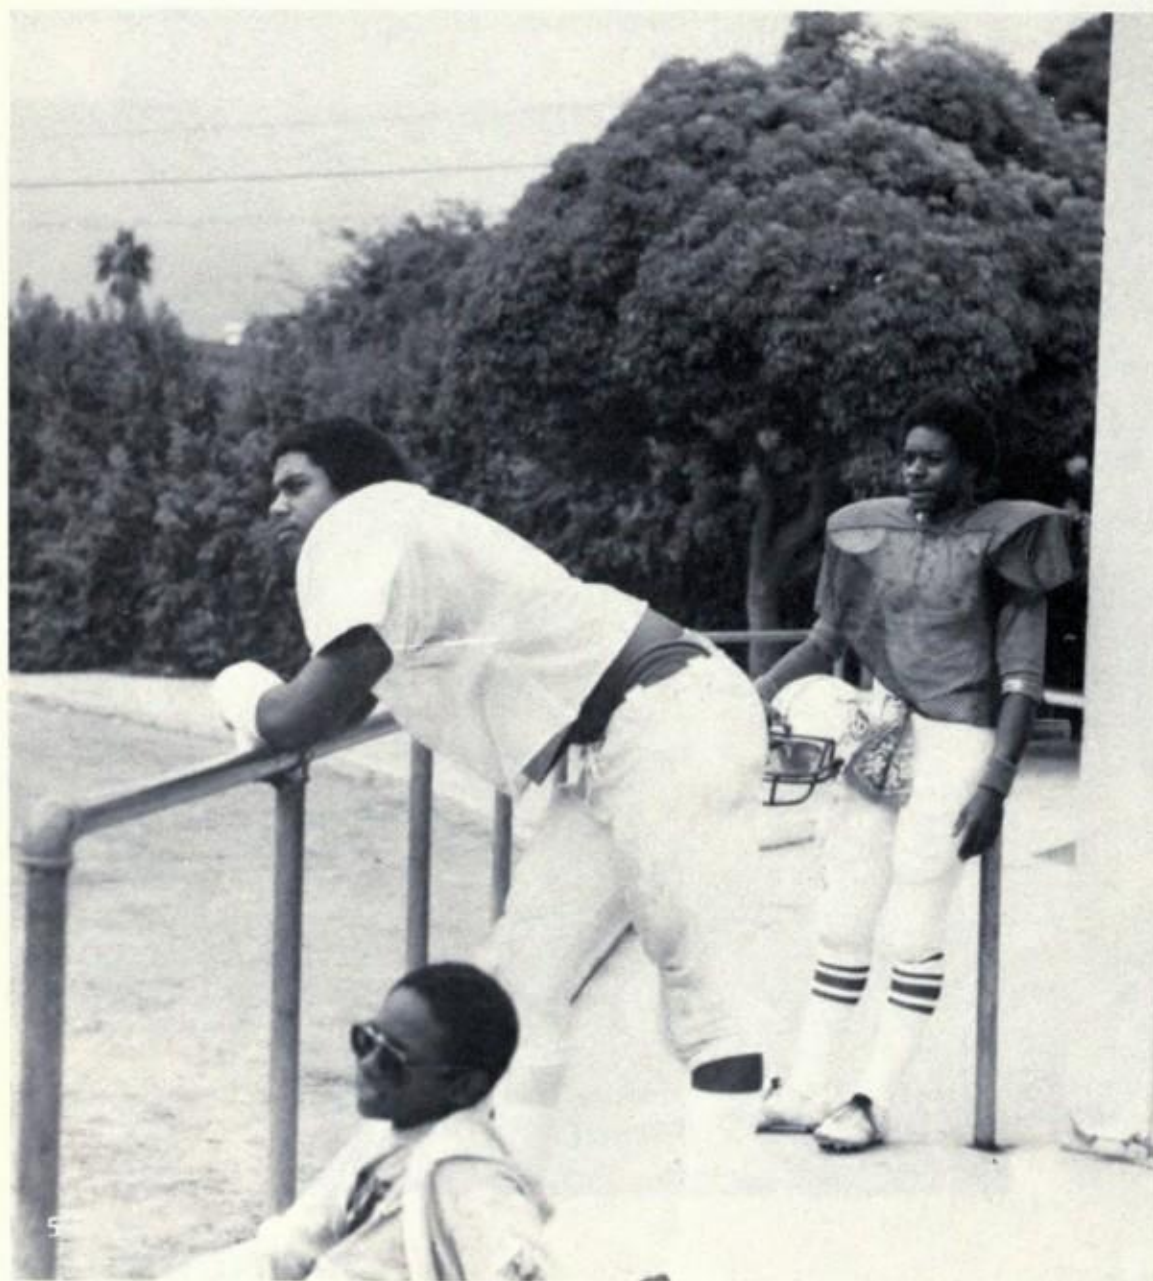

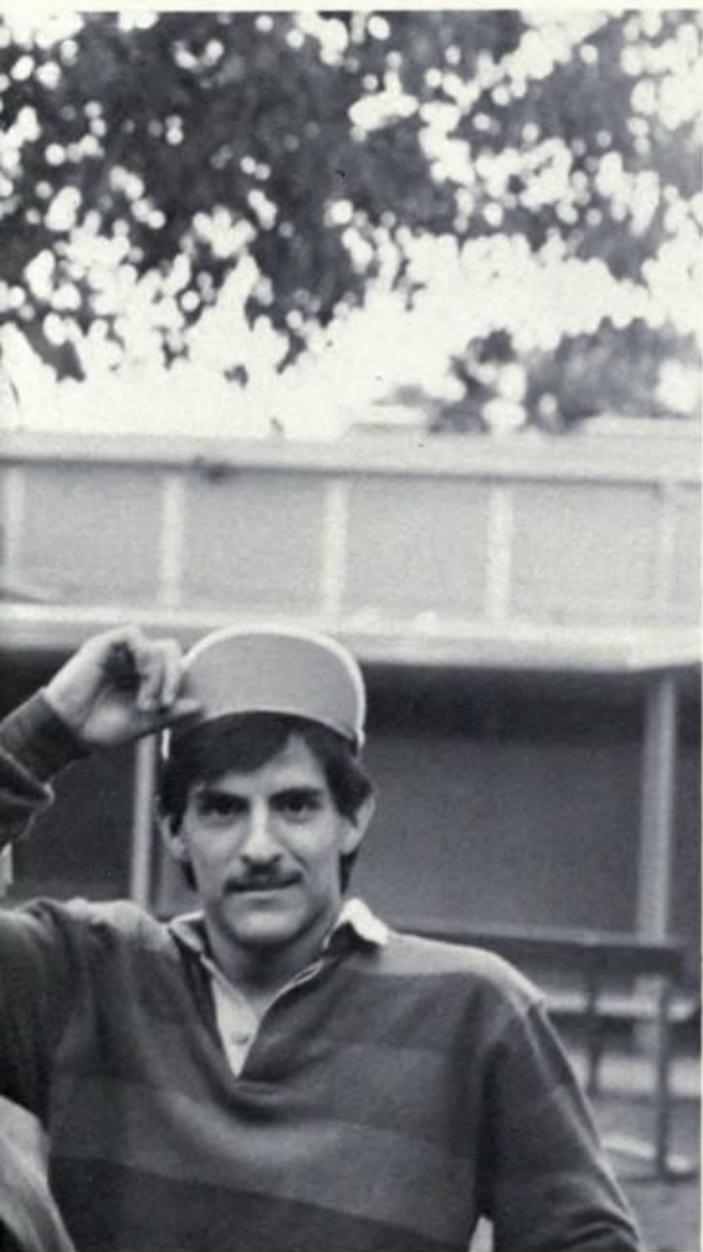

Garyl Brooks is worried as if she "failed" her biology test.

Frustrated with a full day of work, Allison Drax and Leticia Beltran seek to escape.

Seniors Do "Do It Better!!!!"

It was a long time in coming, the year of 1983. They're finally seniors and they're enjoying every minute of it.

1. upper left. "I can really relate to you and your problems," says Gigi Stripling.
2. upper right. Patricia Rosales, Lucila Lugo and Irma Salcedo are finally happy after trading recipes for chocolate chip cookies.
3. upper middle. Manny Contreras says: "Hats off to the Seniors!"
4. bottom middle. "My belt's too tight!" says Dedra Avery.
5. lower left. Many people dream dreams and John Proctor dreams on.
6. bottom right. Tracy Mosely and friend says, "There's more to school than class."

STUDENT LIFE

At the Wood ... the students were always full of life ... and the devil too ... Hurray for student lives!

LIVE THE LIFE OF A SPECIAL SENIOR - AT THE WOODWORKS

... 1983

... Burgundy & Grey

... and the seniors, made the "Wood" work. The seniors of '83 were not only successful academically, but also gave time to serve their school by giving much extra time. These seniors have thus been noted here for their outstanding achievements.

Maurshunda Renee Scott, born March 28, 1965, has been attending IHS since her sophomore year. She is a resident of Inglewood and loved going to Inglewood High. After high school, Maurshunda plans on going to Woodbury University. She wants to work and have a small family. She was in the fashion show her sophomore year and has been sewing since the sixth grade. In her junior year, she and some other girls were entered in the Daughters of the American Revolution Sewing Competition. In this contest Maurshunda took first place. She was also on the Merit Honor Roll in her sophomore and junior year.

Leticia Beltram participated in the Health Club for a year in preparing for her future plans in the field of medicine. During the past two years Leticia was awarded honors from *Who's Who Among American High School Students* and Merit Honors. In her sophomore year, Leticia attended the Southern California Regional Occupational Center (SCROC), where she took a class as a medical assistant, which helped her in her decision to become a pediatrician. She would like to attend UC BERKLEY next fall and major in Pre-Med.

Ricardo Blandino was born in El Salvador, Central America, on December 18, 1964. He came to the U.S. in January 1976. Ricardo maintained a "B" average. He attended IHS for four years and was on the Honor Roll, Merit Roll, in CSF, the French Club, and was vice-president of the History Club. In his junior year he participated in the Close-UP Foundation Program and went to Washington D.C. for one week with the History Club. Ricardo would like to go to college and study business administration and also to travel around the world so that he can enjoy the pleasures of life.

Maria Ruby Dayaw was born in Manila, capital of the Philippines. She is the only child and came to the U.S. to live with her parents. Maria has been here in the states for 3 years and has attended IHS since the 10th grade. After graduation, her plans include going to a JC for 2 years and then transferring to a college or university, preferably UCLA. Her main goal is striving for success like that of many IHS students. She would like to be able to help people if she can and she displays her talents by taking care of children and cooking.

Rita Bryant, born August 4, 1965, in California, has attended Inglewood schools all of her life. Rita's been in band for 4 years and was the clarinet's section leader. She has received many awards, some for science and math excellence and is included in the books *"Who's Who Among American High School Students"*, and *"The U.S. Nation Book"*. She was in CSF, MESA, and was a member of the Math Team. Rita's interests included attending Cal. State University, Northridge, Howard, or UC Irvine. Her main objective is to "Go to college and move out!" so that she will be able to major in engineering.

Kimberly Hines' career goal is in the field of computer science. She plans to attend either USC or Spellman University, where she will work towards a Bachelor's Degree in computer science. During her four years at IHS she has been a member of M.G.M. (Mentally Gifted Minor); also, she has been on Honor Roll, Merit Roll and a receiver of the U.S.E.A.A. (United States English Achievement Award.) By being a member of CSF, Mesa, Math Team, and treasurer of the History Club, she has been kept busy her entire four years. While serving as ASB President in her senior year she still managed to be an avid fan of both basketball and football.

Marcel Stephens is a senior who has attended IHS since her junior year. Before coming to IHS, Marcel lived in West Virginia. Last year she accomplished quite a bit when she was the only junior to receive a 4.0 grade point average. Because of her move to California, it has been very difficult for Marcel to be active in extra-curricular activities. At her former school she was on the track team and in various clubs. At this point in Marcel's life, she is undecided as to what college she would like to attend. The major in which she is interested is computer science. Now that Marcel is settled, she finds that she likes life at Inglewood High.

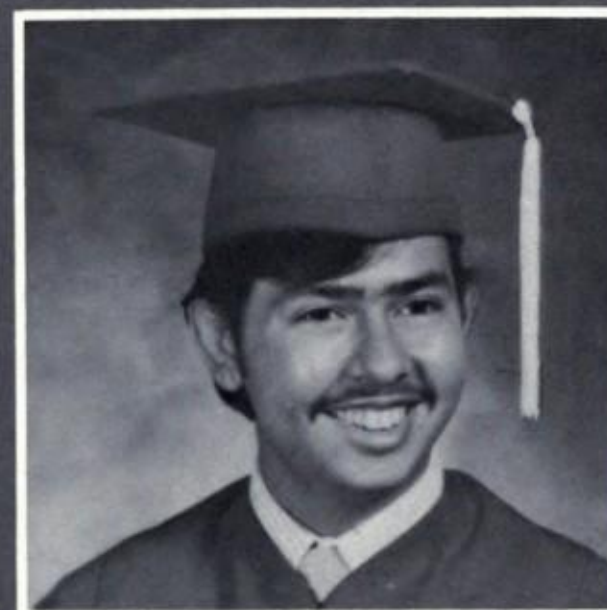

Mark Hardie was born August 10, 1965, in Los Angeles, California. Mark was a Nema Award Winner, and was listed in *Who's Who Among American High School Students*. He played volleyball all four years, three years on Varsity. Mark enjoys drafting, bowling, ping pong, and tennis. He was also a member of the Annual Staff his junior and senior year.

Derrick Gerard Abell, "Stable Abell," as he was known, was born May 2, 1965 in Los Angeles, California. He was a senior who has been at IHS all of his four years of high school. In his junior year Derrick was named junior homecoming prince, and in his senior year he was crowned king. Derrick attended Boys' State during the summer for one week to learn about the government and how it is run. He is a unique person because he has had the opportunity to travel to Europe, and he has lived in Saudi Arabia. Active in sports, Derrick was on varsity track his junior year and has been playing football since his freshman year. This year Derrick was on the starting line-up, playing receiver and defensive back. Derrick's career plans includes obtaining a degree in computer science so he can be a wealthy man some day.

Clarence Eubank was born October 28, 1964, in a city of the Philippines called Zaboanga. He came to the United States when he was ten years old. His hobbies include reading, and creative writing. Clarence's future plans include furthering his education. Clarence plans to attend the University of California in Berkley for two years, and then he would like to transfer and finish his education in Germany. His major is architecture and he hopes to obtain a Master's Degree. Some activities that Clarence has been involved in since attending IHS are the California Scholarship Federation for 6 semesters (CSF), of which he was publicity chairman, the German Club for 4 years and the History Club, where he was secretary for 2 years.

Earnest Sears Jr. was born on February 26, 1965. He has been attending Inglewood High School since his freshman year. He played varsity football one year, and varsity basketball and baseball three years each. While at Inglewood, he maintained a 3.33 GPA. He was listed in *Who's Who*, *The Society of Distinguished American Students*, and the National Merit Award Academy. He is planning to attend U.C. Berkley on a basketball scholarship and is going to major in computer science or engineering.

Lydia Denise Mahone attended Inglewood High since her freshman year. Lydia was not sure whether or not she was going to the Air Force Academy or to college. Lydia was very active in sports participated in softball, tennis, and volleyball. She was on the Honor Roll in her sophomore year.

Garfield Windross was born in Jamaica and is from a family of seven. He attended IHS for two years, and he really enjoyed school life at Inglewood. His future plans include going away to college, getting a B.S. degree, and becoming a petroleum engineer. Garfield was a varsity soccer player and a member of the math team and science club.

Andre Gerald Cullins has been attending IHS since his freshman year. He is a native of California and enjoys playing football. He was born February 14, 1965. His career goals are to attend UCLA or Harvard. He would like to major in medicine to become a doctor. Some activities Andre has been involved in are tennis, varsity track, and varsity football. He was also in the health club, which is preparing him for the future, the art club and the math club. During the past summer Andre attended Boys' State which was held in Sacramento for a week. There he learned about the government and how it is run.

Janine Marie McNeely was born August 2, 1965, in Los Angeles, California. During her four years at IHS. She was captain of the girl's J.V. Volleyball Team her sophomore year. In her senior year Janine spent many hours working as editor of the 1983 annual staff. She attended a week long yearbook camp in San Diego, the summer of '82. She has also been on the Merit Roll, and a member of CSF her senior year. Her career goals are to attend the University of Washington to major in business administration, where she hopes to obtain a doctorate degree in business.

Tamie Jean Waters was born October 1, 1965. During her four years of high school, she was on Honor Roll in her junior year, a member of the IHS Drill Team in her sophomore year and served on annual staff in her senior year. Her plans after graduation, include going into the Air Force to major in business administration.

Noma Crook was born on February 4, 1965 in Los Angeles, California. Before coming to IHS, Noma attended Palisades High where she participated in a debating team and softball team. Since coming to IHS in her junior year, Noma has been academically successful. This past year, she was on the Varsity Pep Squad cheering on many fans at the football and basketball games. In her spare time, she bowls in a League in Los Angeles.

Sents See Shuttle "Hail Columbia!"

On November 23, Principal Louis Thomas, Mrs. Anderson, Joi Anderson, Deron Lomack, and Natasha Pumphery were all the invited guests of Congressman Julian Dixon, for the landing of the Space Shuttle Columbia at Edwards Air Force Base. They received their passes as a gesture of thanks from Congressman Dixon for the schools response to material sent from him to the school. Besides the landing, they were taken on a tour of the base where they saw the latest in American technology, including the rescue helicopters and the pilotless robot planes. They all agreed that it was a good feeling to be part of the 70,000 people there in the making of history. As Joi Anderson remarked, "It was a fun and very interesting experience."

Seniors Advised On Future

College Counselor Maurice Wiley and the College Advisement Center sponsored the annual college night on Tuesday, November 9, from 7:00 to 9:00 pm. Activities took place in Sentinel Inn where representatives from fifty colleges and universities were on hand. Even rainy weather didn't stop more than 200 parents and students from coming out. They were served refreshments by Ms. Beverlee Young and the Young Experience.

"Sentsters" Appear

There was nothing different about the day to begin with. Students began arriving as usual. Then the strange ones came out, Dracula, Frankenstein, and even Xaveria Hollander. No, this wasn't something out of a horror movie; it wasn't something out of a nightmare; Halloween had come again to Sent-land.

GIFTED SENTS TAKE ON MARINE LABORATORY

The gifted and talented students of Inglewood High School and Morning-side High School visited the Round House Marine Biology Laboratory, January 21. With the assistance of three marine biology technicians, the students participated in a variety of experiments. These experiments included identifying various sea animals, measuring the temperature and wind vilocity, testing the amount of salt in sea water, and observing the habitat of crabs. The laboratory is located at the end of the Manhattan Beach Pier, where the waves could be heard and felt underneath the building. The trip was sponsored by the G.A.T.E. program.

The students arrive at the lab for a day full of surprises.

THE "WOOD" CELEBRATES THE PAST

One of the highlights of the 1983 Black History Week was an assembly entitled, "Queens of the Nile, Now." Mrs. Opaline Brice, President of the Inglewood PTA Council was responsible for bringing the program to IHS. The program was opened by Kim Hines, ASB President, who led the flag salute and the singing of "Lift Every Voice and Sing." The program, complete with drummers, featured African history through fashion. African queens in complete ceremonial dress were introduced to the student body. Each queen would then model her costume in the aisles so the students could see them. Some of the Queens present were the Queen of Sheba, Nefratiti, and Cleopatra. Not only did the students learn what the fashion and history were for each Queen, but they also learned that females were very able and capable rulers.

THE "WOOD" CELEBRATES KING'S BIRTHDAY!

On January 13, IHS paid a musical tribute to Dr. Martin Luther King Jr. The newly formed gospel choir, under the direction of Kenny Parker sang "Be Grateful." The purpose of the assembly was to remember what Dr. King lived and died for to live in a world where people are judged, not by the color of their skin, but by the content of their character. Men should have that dream and strive every-day to make it a reality.

Sents Come Close

The Sents' Varsity Football Team played with courage and heart, but couldn't win the close games. The Sents lost three games by a field goal, two of which were league games. Playing against San Marcos, a strong Sentinel defense, led by strong safety Andre Cullins and All-League Free Safety Derrick Abell, only gave up a questionable 9 points. The Sents' offense had over 250 yds. rushing, with key blocks by All-League Guard Eric Taylor and Center Randy Bowen but key fumbles and penalties kept the Sents out of the end zone until late in the game. The Sents lost 6-9 by a last minute field goal. This defeat started the season off on the wrong foot as the Sents went on to win 2 and lose 2 of the remaining preseason games. As Ocean League play came near, the Sents felt confident that League would be a second season. The Sents defense, led by Haloti Moala and Marc Mosley, had a shut-out going into halftime against Leuzinger, but quick turnovers led to two quick field goals. The Sents had a 13-6 lead late in the game, but an interception set up a touchdown for Leuzinger. With the score tied Leuzinger kicked a field goal in the last 15 seconds to win 16-13. The Sentinels then went to Hawthorne and played a tough, aggressive game, but came away with a 7-10 loss. Against Beverly the Sents had a strong offensive showing by Runningback Tom Coty, Runningback Ted Johnson, and Wide Receiver Chuck Windom, but the defense couldn't put it together as the Sents went down 12-23. The Sents came back and let out all frustrations against Culver City. Culver was rated number 2 in the Northwestern Conf. and number 1 in Ocean League; but Culver was upset by the Sents 27-0. This was the first time in 14 years the Sents beat Culver City. Big plays were made by All-League Defensive Tackle Tyrone Calcote (key QB sacks), All-League Nose Guard Eric Taylor (dominated the line entire game), All-League Tight End Paul Sanders III (Key pass receptions) and Quarterback Henry Greene (key runs and completions). The Sents capped off the season by blowing away Morningside 27-0. The Sentinel team may not have had the most wins, but the team did have the most class.

Sophs Play Hard-But Miss The Championship

Brian Browning outruns Beverly Hills for a T.D.

After coming from an undefeated season as freshmen, the sophomores looked forward to having another great season. The sophomore football team started out slowly by losing to San Marcos and West Torrance; but the Sophomores soon put things together and beat Norte Vista 20-13. The sophomores were then upset by St. John Bosco; nevertheless they finished their pre-season 2-3 beating Serra 19-6. In the opening league game, they blitzed Leuzinger 49-0 to start their season. The sophs then beat Hawthorne and Beverly Hills. The next week against Culver City, the Sents played for the Ocean League Championship. They played with courage and determination, but they were robbed 13-22 by the Centaurs. Penalties hurt them late in the game, and there were a few questionable calls that led to a Culver touch down. The sophs. closed their season on a winning note by beating Morningside 42-2.

'86-ers Begin

The incoming freshmen football team really didn't know how the season would turn out, because of inexperience. The freshmen soon found out that they were among the top teams as they beat Norte Vista 6-0, St. John Bosco 32-7, and Serra 19-6. They had only one preseason loss, which was to 4-A power West Torrance. Having such a great pre-season may have been a bad omen to the freshmen. The freshmen only won one league game, and that was against Beverly Hills by a score of 27-0. The young freshmen have matured much in this season and will probably have a good season next year.

Lady Spikers Split The Wood-Take Championship

The 1982 Lady Spikers carried on its winning tradition by winning the Pioneer League Championship for the second year in a row. The Lady Sents were led by Chriotyl Bradley, who was this year's Pioneer League Player of the Year. Joann Shubbie was 1st team All League, and Alopa Tuiasoa, and Margarita Gomez, both made 2nd team All League.

The Lady Sents had a rather shaky start winning only one of their six pre-season games. As league play rolled around, the Lady Sents made a dramatic turn around winning their next eight out of ten games and wrapping up another League Championship.

Coach Erbeck said that, "The team's success was due to the fact that the effort of every player was outstanding and contributed greatly to the team's success." She added that the girls played and practiced with a lot of spirit and enthusiasm and it was the team's togetherness and hard work that finally paid off.

The Lady Sents were rewarded for their efforts with a birth into the CIF division 1A playoffs. They defeated Tehachapi in the first round, 15-9, 12-15, 16-14, 15-10 to advance to the second round where they beat El Monte 15-11, 17-15, 15-13. The Lady Sents then advanced to the quarter finals where they met the number one ranked team in their division, Rim of the World. The Lady Sents met their match and were defeated by a very experienced Rim of the World team (1-15, 5-15, 0-15).

Overall the Lady Sents had a very successful season. The Ladies, who only had three seniors, will be returning eight players next year off a very successful '82 team! So watch out next year!

They lost a tough game to Lennox which influenced the Sents to practice harder. Working and playing together the Lady Sents won their next two pre-season games. After losing to a strong opponent in Hawthorne, the volleyball team was prepared for their season.

Lead by Captain Denise Brewer and Co-Captain Mary Peterson, the Sents defeated rival Morningside for the second time. After losing to Lennox, IHS exhibited their talent and potential when they won two straight games to strengthen their league record to 3-1. After losing their last game, the lady Sents closed their season with a 3-2 record in league.

SENTS WIN 3RD STRAIGHT TITLE

Inglewood has a tradition of winning basketball games and this year was no different. The Sents had a rather slow start by placing 6th in both the Pacific Shores and the prestigious San Dimas Tournaments, and 3rd in the Glendale Tournament.

Entering league play the Sents were picked to finish in third place. Led by three year starter Ernie Sears, who signed an early letter-of-intent with Cal-Berkeley, and major college prospects Juan Madere, Danny Shell, Hakim Satterwhite, and junior center Patrick Roy. The Sents proved the critics wrong by winning the 5th straight league title and their third consecutive Ocean League championship with an 8-2 record.

The Sents' play this year was characterized by an intense man to man defense, a lightning quick fastbreak offense, and bench released with talent. With senior Erik Harden, juniors Teddy Johnson, and sophomore Brian Browning, providing extra scoring punch, the Sents were also able to have another successful year.

SCORPS STING SENTS

The Sentinels entered the playoffs against well-coached Camarillo. The Sents were outscored 11-2 at the start of the game and were down by 16 at halftime, 35-19. Behind the shooting of Danny Shell who scored all of his ten points in the second half, Patrick Roy ended up with 16 points and Earnie Sears scored a team high of 24 points. The Sents were able to close the gap to 2 points with 6 minutes to go in the game. A couple of costly turnovers thwarted the Sents' comeback and they fell short, 68-62.

The Sentinels' season wasn't all lost because three players made All-Ocean League. Patrick Roy and Danny Shell both made 2nd team All-League while Ernie Sears was voted the league's Most Valuable Player.

Earnie Sears scores a three-point play with the "left."

JV'S MAKE #1

J.V. Basketball

The Junior Varsity Basketball Team played with experience and poise. The JV Sents were good enough to play in tournaments and were good enough to beat good teams such as Ocean View, Morningside, and St. Paul. Experience was the key in the Sents pre-season, as they came away with a 10-1 record. Led by forward Ben Henderson, the Sents swept four games in a row. Beverly Hills, Mira Costa, Redondo, and Culver City. Then the JV Sents were in a tie for first place with the Monarchs. They then played a tough game against Morningside, but still came away with a loss. However, the Sents came back to win another four in a row. The season came down to the last game, Morningside. Led by point guard Chuckie Garrett, the Sents showed their experience and poise as they came away with a close win 51-50. With this win, The Sents were Co-League Champs. The JV Sents ended the season on a good note and hope to return next year to compete for the CIF title.

SOPHS STAR IN SEASON

When the sophomore basketball season started, there was much optimism as to how well they could play. When they won their first few games, it was obvious that the Sophs would follow the Sents' winning tradition. The Sophs were lead by guard Prince Payne and guard Rod Davis. These two players, plus the other talented players, led the Sophs to an undefeated league record.

Even though the sophomores played a short season, they did play quality teams such as Ocean View and St. Paul. Another plus to the Sophs' team was the fact that all of the players had a "C" plus grade point average or better.

ROBERTS COACHES FRESHMEN IN A TOUGH SEASON

In order to be on the Freshmen Basketball Team each individual must have had a 2.0 GPA, physical insurance, and a spirit pack. The try-outs lasted 3 days. About 60 freshmen tried out, only 13 made the team.

The team had a very tough season. They played 3 games a week, Monday, Wednesday, and Friday. The Freshmen took 2nd place in the Palos Verdes Tournament and took 2nd in Ocean League. Their overall record was 15-4 and their Ocean League record was 11-3. The team had the best talent in the league. However, they had lots of trouble making their freethrows. All four of their games were lost on the free throw line.

The most outstanding center during the season was Troy Howard. When Troy was down, there was always Stacey Lewis, to recover with his great defense. There was also, Alan Stenson to excel in rebounding. Leading the team at guard were Stacey Anderson on offense and Reggie Lewis on defense. John Chappell and Ken Horton also contributed excellent play at guard. Eric Jordan was the most outstanding player at forward, for all-around hustle on defense and offense, and Ron Allen for rebounding and hustle. Greg Hunt, Kevin Hill and Rodolfo Rodriguez contributed a great deal of work, when one of the teammates wasn't able to play.

The most valuable player on the freshmen team was Derrick Williams. Derrick Williams transferred in from Texas but had to leave the team before the final two games because he moved to Los Angeles. He was an all-around player, who could play guard, forward, and center.

The team said, "Congratulations, Coach, Mr. Roberts, for coaching and Kevin Anderson for doing a great job in taking stats."

SUPER SENTS SHOW SUPERB STYLE

The Lady Sents started this year amidst a great amount of speculation. Returning only two players, Deborah Saunders and Deborah Shepherd, from a 16-3 team the Ladies were not expected to fair well this year. With newcomer Kurta Anderson and last year's JV stars Carol Kessee and Pat Quarrels, the Ladies pulled together and had another very successful year.

As these young ladies adapted to the game of basketball there was much improvement shown. With intense hustle Donna Hervey lead the way in 7 points; and 4 assists a game. Other players that contributed were Lonita Johnson, Kathy Potlongo, & Donita Sanders.

WOODEN SPIKERS START UNDEFEATED IN SEASON

The Varsity Volleyball team started their season with a surprisingly good pre-season record of 18-3. By walking over teams like Torrance, Westchester, and St. Bernard, the Sentinels allowed them to average 4.2 points against us in a game.

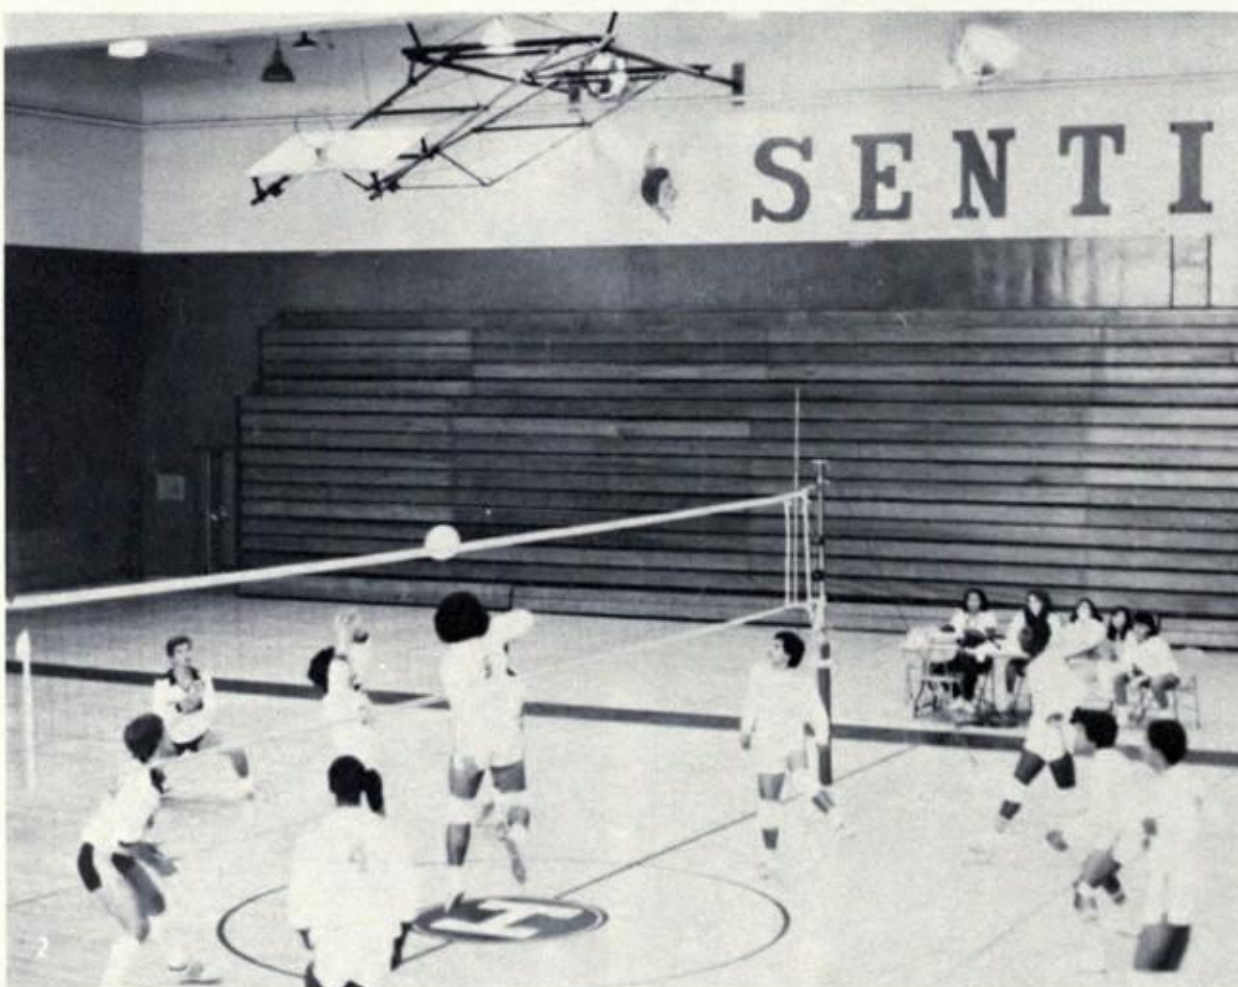

In the IHS Pre-Season Tournament, Inglewood finished fourth defeating South Torrance, Huntington Beach, and splitting with Mater Dei and University High, only giving up 8.3 points a game.

The Spikers started their season with a 3-0 record by crushing Beverly Hills, Harvard, and Culver City. "We are looking forward to our best season ever," said captain Joe Simpson.

The varsity team consisted of six returning varsity players-seniors: Manuel Contreras, Mark Hardie, Jess Lingad, Patrick Auguitine, and Joe Simpson; Alex Owens; juniors: Derek Mosely and Haloti Moala-and one sophomore, Scott Willis. Coach Phil Stutzell is expected to lead the team to the C.I.F. play-offs. "Once we get there, we'll take it one game at a time," said Coach Stutzell.

Roster:

Patrick Auguitine	Sr.
Manuel Contreras	Sr.
Mark Hardie	Sr.
Derek Mosley	Jr.
Haloti Moala	Jr.
Alex Owens	Sr.
Jess Lingad	Sr.
Joe Simpson	Sr.
Robert Grey	Jr.
Larry Ross	Jr.
Scott Willis	Soph.

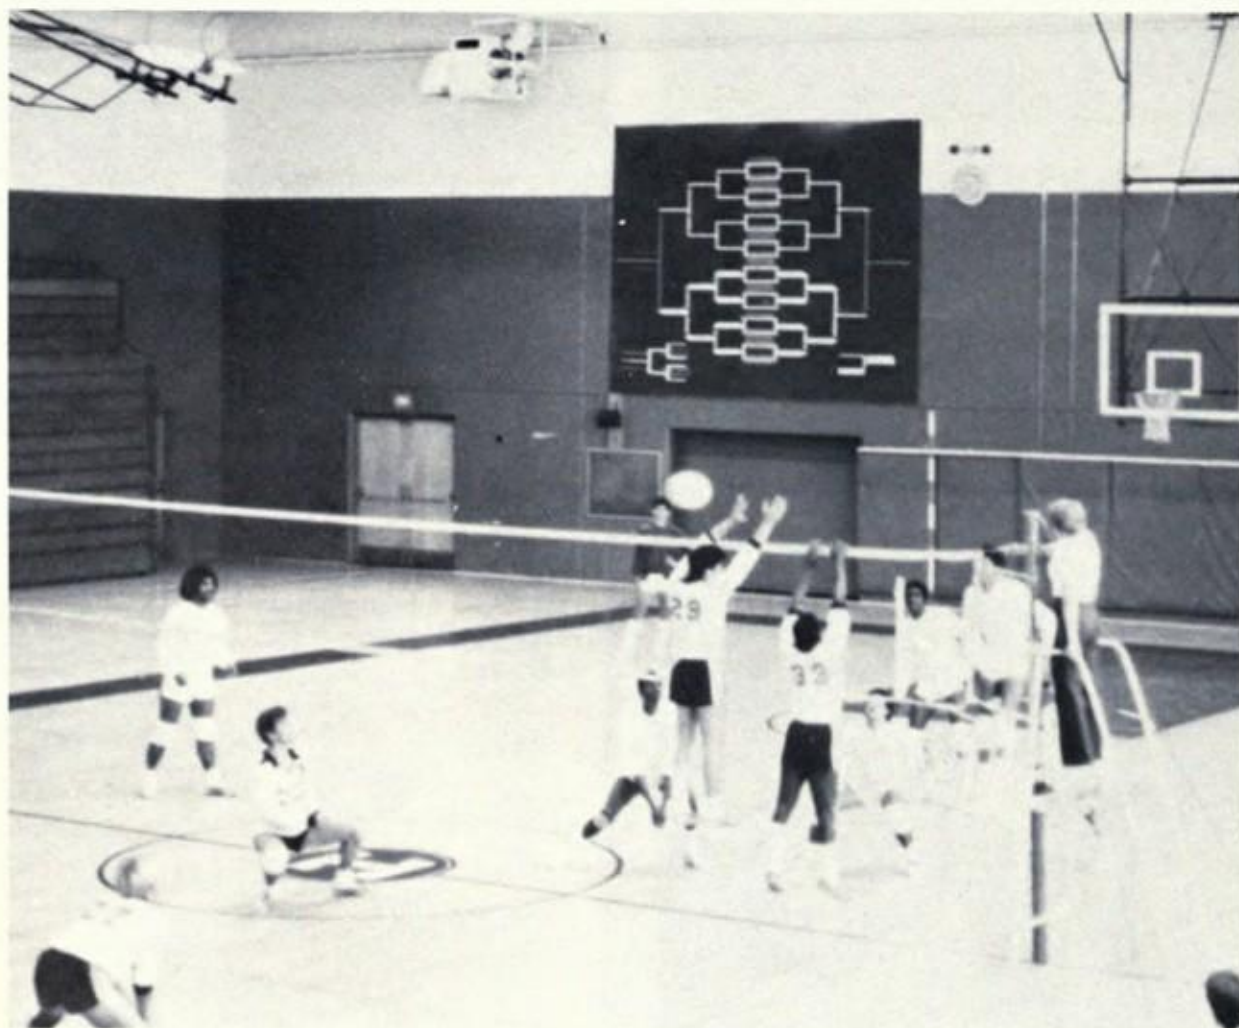

1. Manuel Contreras goes to one knee to set a perfect "one."
2. Haloti Moala hits a quick set before the "block" can get up.
3. Mark Hardie is in the process of spinging the ball through a tough San Pedro block in tournament play offs.
4. Manuel Contreras passes a ball high to give Joe Simpson time to set it high outside.
5. Haloti Moala spikes a ball down the side of a wall with authority.

VARSITY HAS VERY HIGH HOPES

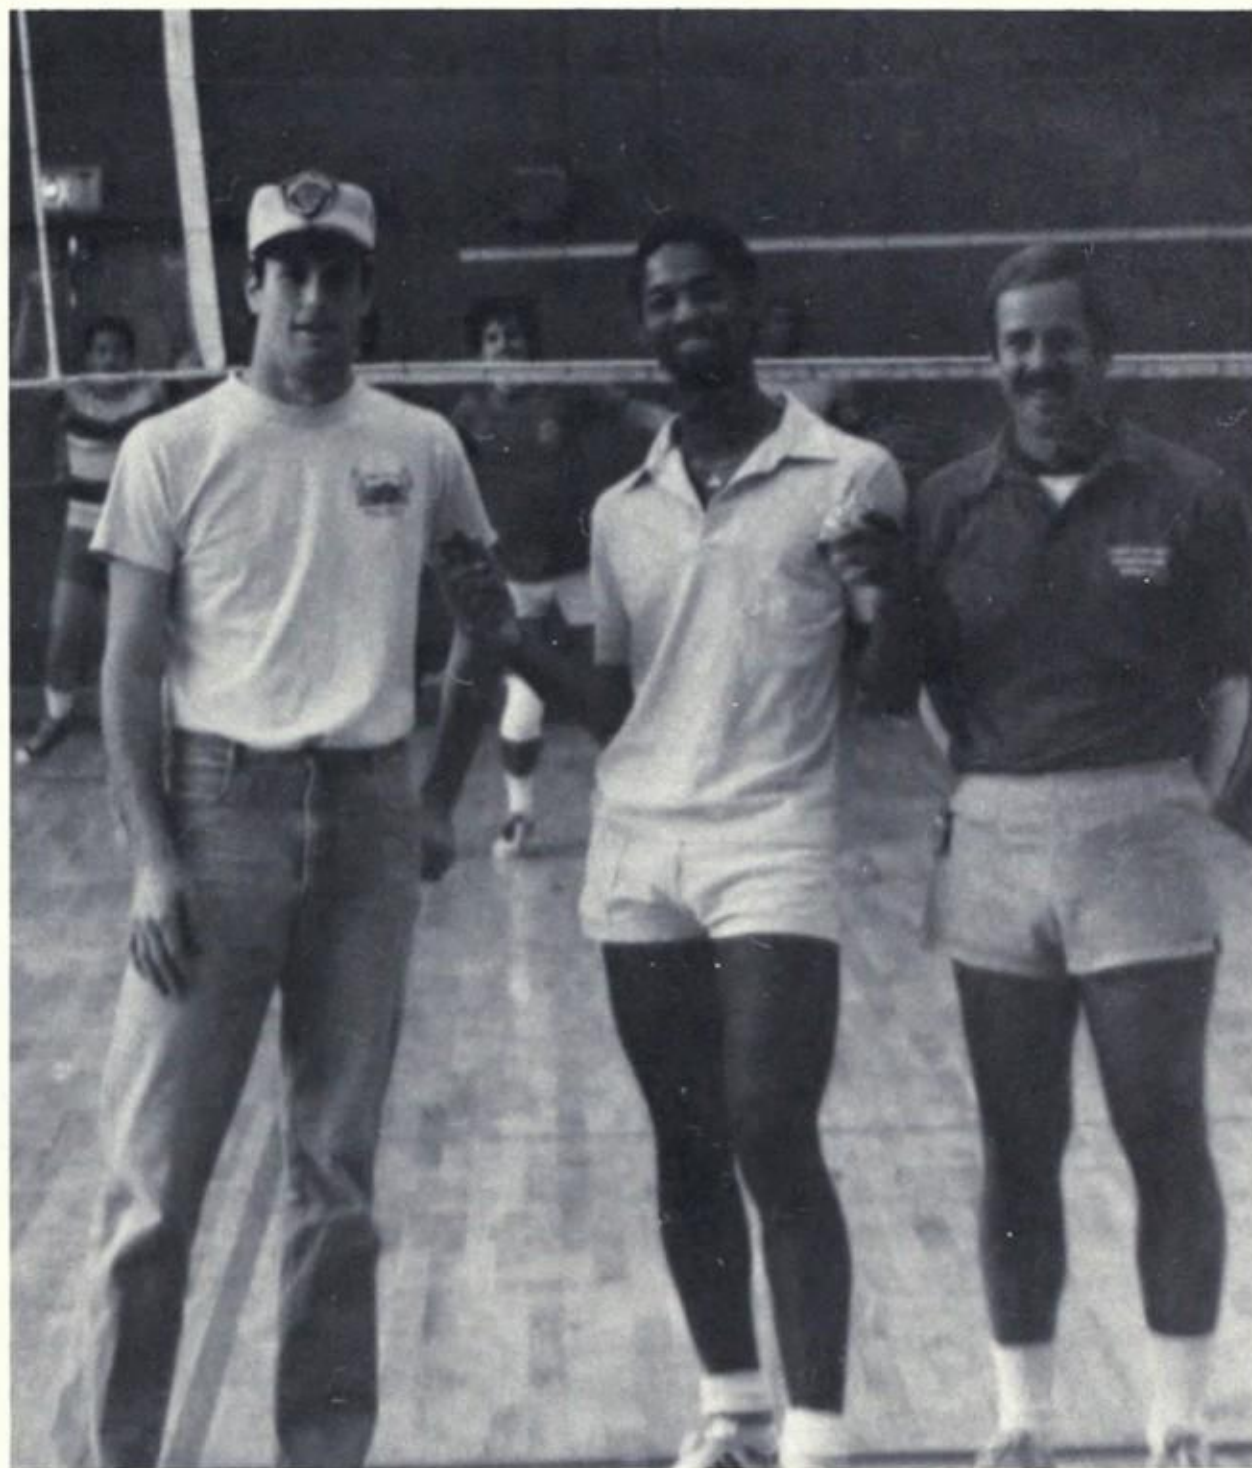

The Volleyball Team was successful because Mr. Popko was able to convince Phil Stutzell to return for a second coaching season.

1. Derek Mosley crushes a ball off the block.
2. Joe Simpson hits a ball over a Beverly Hills Block on a side out.

Mark Hardie hits a ball over the outside blocker against Beverly Hills.

Varsity Coach Phil Stutzell, JV Coach Eric Anderson, and Supervisor Gene Popko

In a JV match Derek Washington hits a ball by a short middle block.

SENTS ARE THE FIRST PIONEERS

The Inglewood Varsity Soccer Team, had a poor start against Lennox. Playing with overconfidence, the Sentinels tied their Pioneer League opening season game against Lennox. The Sents lost the second game against Harvard 2-1. However, the team finished with a record of 8-1-1 and thereby finished tied 1st place.

Not only did our Soccer team finished in first place, but also had many of its players achieve first team honors. Juan Lara received first team honors for the second year in a row. Ezequiel Sanchez, a senior who has played for the Sentinels all four years, also made first team honors. Furthermore, Felipe Gonzales and Arturo Euyoque, were two outstanding juniors from whom more is expected in 1984.

Again this year, the league's MVP was chosen from the Sentinel's roster. Wilfredo Gonzales, a junior who achieved first team honors in '82, was chosen as the league's MVP. He will return in '84 to lead the Sentinels to another championship title. Mario Rojas, the soccer coach, performed an excellent job preparing the soccer team as he has always done. However, with the help of Mario Rojas, we will hopefully in '84 to gain a 3rd championship title in a row.

Roster:

Alcala Gonzalo, Elmer Calderon, Sergio De La Cruz, Arturo Euyoque, Edgar Gonzalez, Felipe Gonzalez, Oscar Gutierrez, Richard Herrera, Carlos Medina, Jose Pozos, Ezeyuiel Sanchez, Juan Villafan, Ernesto Gomez, Quintanilla Franklin

Coach Mario Rojas gives his team advice during halftime.

As Oscar Mendoza kicks the ball against Morningside, his teammates prepare to receive it.

Juan Lara passes the ball to Juan Villafan who runs to continue the play as the Sents defeated Morningside.

The Inglewood High School Soccer Team prepares a new attack against Leuzinger as Arturo Euyoque kicks the ball.

SENTS ARE KNOCKED OUT BY VIKINGS IN CIF PLAYOFFS

Wilfredo Gonzalez controls the ball at midfield as he looks around to team up with his teammate, Ernesto Gomez.

Ricardo Herrera shows the ability he possesses to outfake any defender in the league.

Felipe Gonzalez, the Pioneer league's best goalie, prepares himself to kick the ball to his awaiting teammates.

As Ricardo Herrera steals the ball from a St. Bernard's halfback, teammate Ezequiel Sanchez opens up to receive the pass.

Wilfredo Gonzalez fakes out a St. Bernards defender to pass the ball to his open teammate, Juan Lara.

SPRING, SPORTS, AND THE MONSOON SEASON ARRIVE TOGETHER AT IHS

"Most of the spring sports are in a rebuilding year with a lot of young athletes; thus it's hard to predict the outcome. As of this writing boys' volleyball is undefeated and appears strong enough to win the league title as well as advanced into the CIF playoffs.

Baseball is 2 and 2 as of now and will improve as the season progresses, hopefully making the playoffs. Track is in a rebuilding year but should show considerable strength in the sprints and relays. Softball is 3 and 2 as of this date and the year is hard to predict as our team was moved up in classification from 1A to 3A.

Spring sports head coaching has changed in volleyball and track with Phil Stutzel, the new head volleyball coach, and Art Bias heading the track program. John Petrosian is back as head softball coach, Vern Chick Director of Athletics and Bob Hunter remains as head baseball coach."

Vern Chick admires the teams' dedication to duty.

The team stretches after a strenuous half-lap.

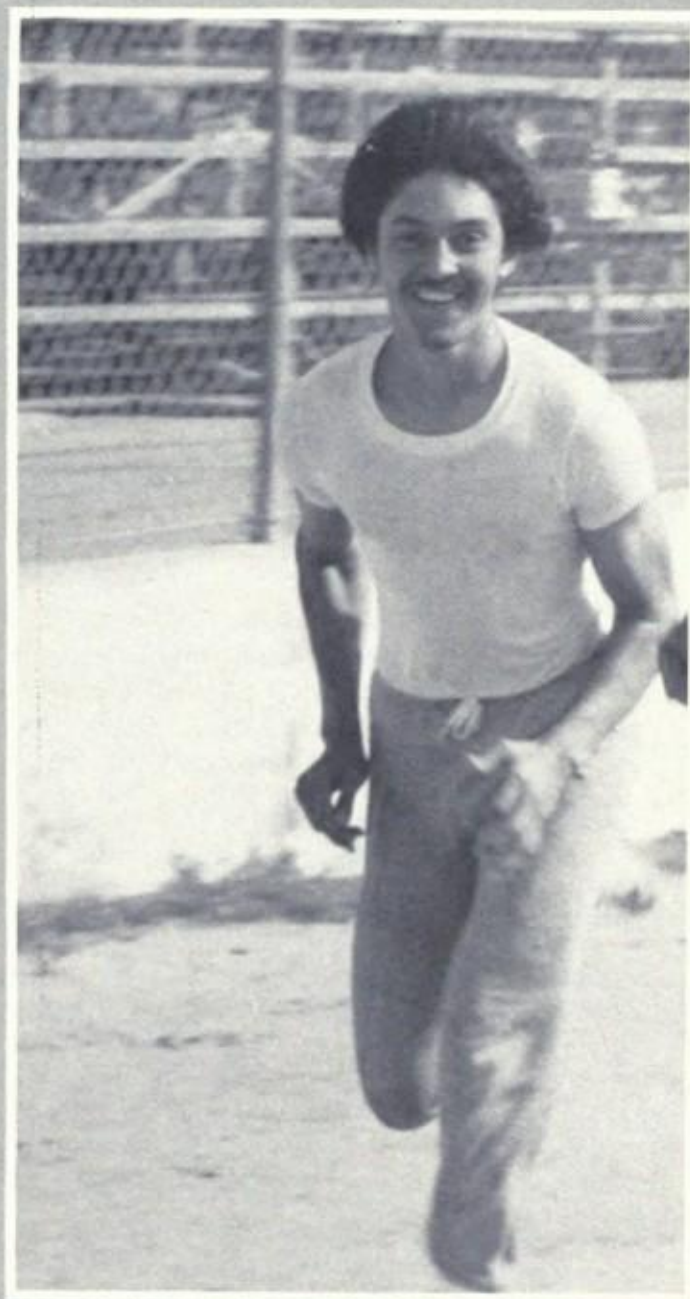

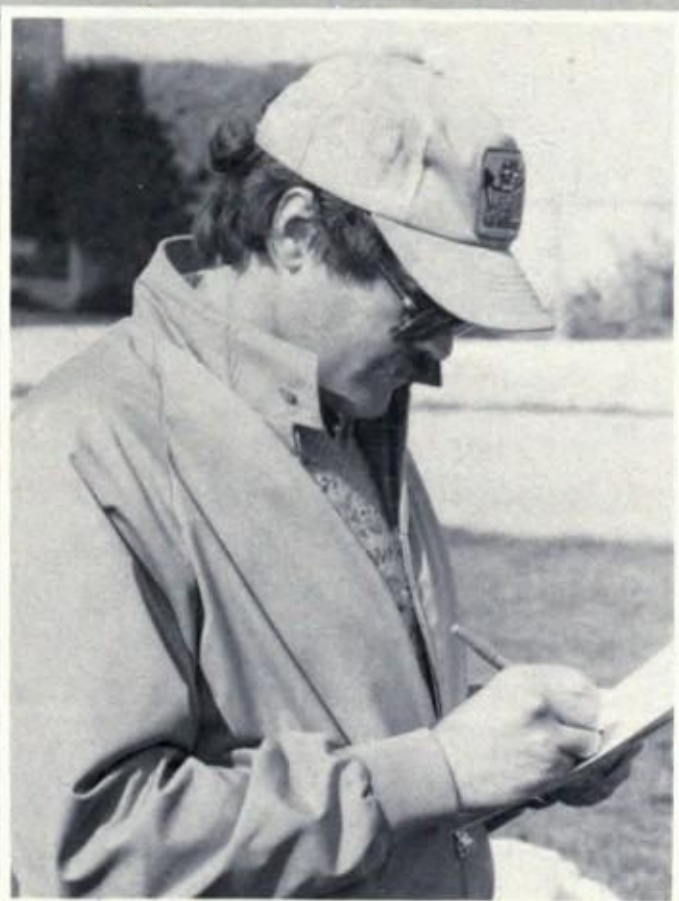

Dequeta Allison and Sheila Winston run a few laps.

Melvin Terry shows his natural ability for running.

Coach Roberts fills out his track roster.

Hector Galaniz runs to keep in shape.

Kevin Davis stretches before his track meet.

BASEBALL FEVER—IHS CAUGHT IT!

Another spring has gone by and the Varsity Baseball Team had another good season. The Sents looked forward to having a good season because of the fact 10 varsity lettermen returned. 1st Team All-League short stop Earnie Sears and 2nd Team All-League catcher Harrison Sherman were two key figures in the Sents' baseball season. This Varsity Baseball Team started out slowly but soon came around to play in a winning fashion. When the Sents were down a few runs and needed to stop the other team from scoring, they could rely on top notch players such as star pitcher Leon Johnson. But if things didn't work out right, the players always showed their class and pride. The many positive traits of this team will hopefully be carried on in later years.

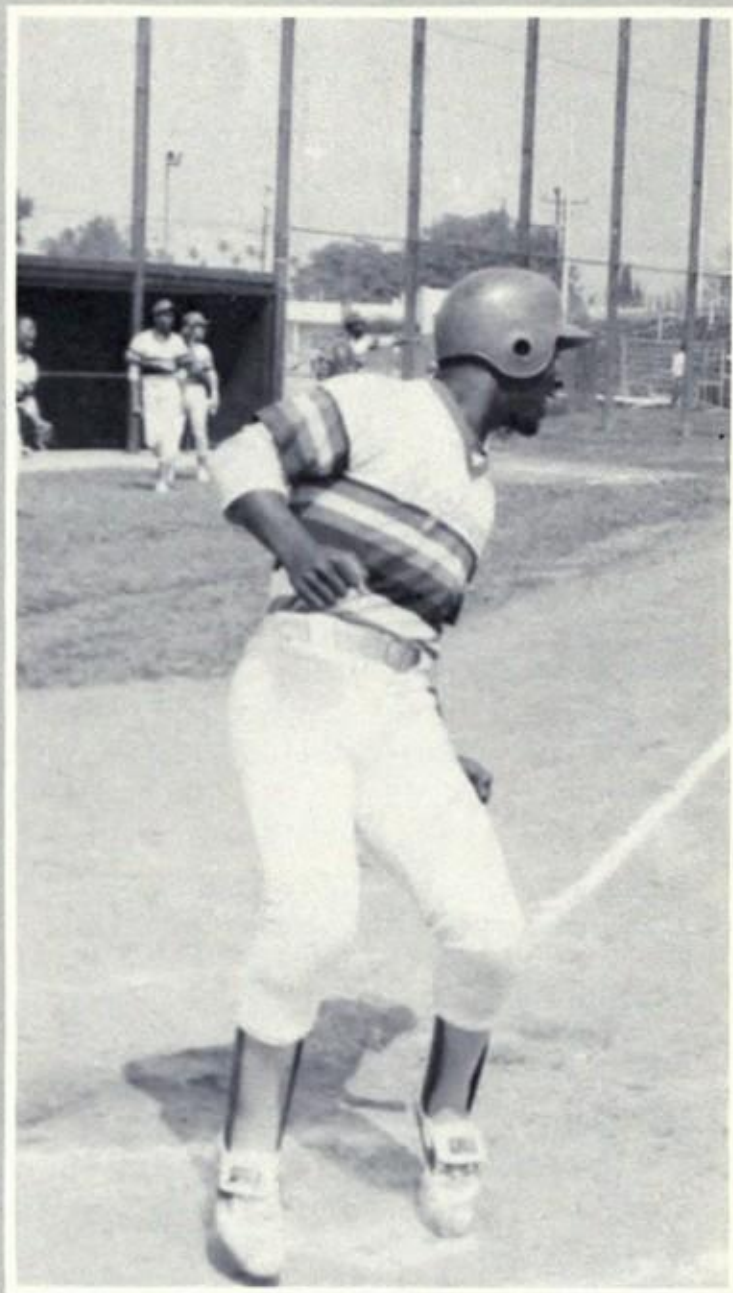

Juan Villifan scored another point while a Leuzinger catcher could only watch.

Coach Robert Hunter.

Paul Saunders III showed how to steal bases.

Darryl Williams had a good time crossing the plate, as he showed a new dance step.

Earnie Sears showed his power at the plate during the Lennox game.

Joe Theus received his congratulations from Coach Hunter after he hit a game-winning home run against Pomona.

LADY SENTS DANCE ONE ROUND AT CIF

After the SENTsational league record, 8-2, the Varsity Girls' Basketball team went into the first round of CIF against highly ranked Upland. The Lady Sents dominated the game and won 50-40. Deborah Saunders and Deborah Shepherd were the key players in the victory. The Lady Sents were then riding "high on the hog" until they met up with tough Lynwood. The Lady Sents played very well, but could not overcome the Lynwood lead.

Patricia Quarels shows her free throw form.

An intense "Petro" looks on.

Deborah Shepherd "powers" on the boards.

Deborah Saunders shoots her sweet jumper on Upland.
Carol Kessee is on the move.

Rosiland Moore takes Lynwood to the hole.

Government By The Students For The Students And Of The Students Of The Wood

Meeting at 7:30 each morning, the Student Council was dedicated this past year to improving activities, promoting school spirit, and gaining participation from the students. This year, the Council hosted noon dances and concerts, sold candy apples, and sponsored Homecoming Week. Student Council was under the direction of Mrs. Sandra Chefney.

Drillers = Thrillers

The 1982-83 Drill Team was better than ever this year under the direction of Mrs. Evelyn Mainor. The 36 young ladies performed at football and basketball games, community affairs, PTA programs, assemblies, rallies, class activities, and competitions. Last summer, members had attended a workshop for Excellence in Drill and/or Dance Art.

Qualifications to become a Drill Team member were: good citizenship, precise drill movements, enjoyment of dance, and a permanent smile.

SPANISH & HEALTH CLUB JOIN THE WOOD

The Carrers in Health Program was launched this year by Mr. Maurice Wiley and Mr. Richard Zundel. Enrollees included those interested in pursuing a health career. IHS students were provided enrichment activities such as speakers, films, volunteer work, and field trips.

Through these activities, the speakers tried developing a self/career awareness, exploring different health careers, and preparing students to get into a selected undergraduate school. The main goal of the club was to get students involved in the health field so that they would one day return to their communities and provide excellent health care services.

EL CLUB LATINO ES PARA TODOS

The Latino Club was open to anyone who attended IHS. The activities included a Christmas dance to mark the end of the new year. A special Christmas cake was served. Also two Mexican luncheons were prepared for the teachers by the members. These luncheons served such Mexican dishes as enchiladas, tacos, flautas, rice, and beans.

The goal of the group was to gain recognition of the Latino American Club, as well as its culture and language.

The club was under the supervision of Mr. Rojas, Mr. Jacques LaCerte, Mrs. Conchita Odabashian, and Mrs. Carmen Lopez.

Once again, Mrs. Miraslava Vukelich brought the history of Germany to IHS students through the German Club. Members (Meunis) had the pleasure of visiting Alpine Village and dancing at the Holbray Restaurant. They participated in a mixed doubles tennis tournament, gift exchange, and an afternoon Christmas shopping. The students had to be enrolled in a German class in order to join the club.

MESA & CSF = WOOD'S BEST

Were you interested in math, science, or engineering? Were you enrolled in an Algebra II or a science class? If you were, then you were probably a member of the Mesa Club.

This past year, Mesa members participated in SAT classes, free tutoring, special projects, Mathematics Fair, and Science Fair. In addition, Mesa awarded students for good grades, including scholarships for college-bound seniors.

The Black Engineers Association was the sponsor for Mesa. Representatives came in and tutored students and helped with the Science Fair.

MESA MEMBERS: President Duane White, Vic. Pres. Jerome Allen, Treas. Millicent Embry, Sec. Angela Lewis, Ass. Sec. The California Scholarship Federation went through many changes during the school year. However, the club continued to function well. On the lighter side, there was a dance, cupcake sale, banquet, and a Hot Dog Day were planned. Members also participated in their annual Academic Week Contest, a trip to Calif. University, and visits to seminars.

The aim of the group was to acquire members who were interested in their future college goals. All students were encouraged to get good grades so they would be eligible for IHS Honor Society.

TRW + IHS D.C.

A trip to Washington D.C., funded by TRW was what members of the History Club looked forward to. At least four were selected by members of the IHS Staff to go to Washington. In order to visit the Capitol, members had to concentrate on raising money by having a stuffed-animal and candy sale. Also, the History Club saw movies, visited museums, and had guest speakers.

THREE CHEERS FOR THE WOOD WORKS

The 1982-83 Cheerleaders had a successful year. Most of the ladies attended a cheerleading camp at San Diego State University last June, where they won many awards. This summer the squads will attend cheerleading camp at Arizona State University.

Tryouts are held yearly. The requirements include: a 2.0 GPA, pleasant personality, and good characteristics. The judges are the Pep Squad Advisor, Activities Director, Administrators, and Counselors.

Rain or shine, the ladies were present at all rallies and sports events, promoting school spirit with their smiles towards everyone.

FHA Sews Up The Wood

The Future Homemakers of America (FHA) had a busy year. The goals of the group were to help youth assume roles in society through home economic education in areas of personal growth, vocational preparation, and community involvements. The FHA presented wrapped toys to the Children's Baptist Home located in Inglewood for Christmas. In February, nine students participated in the Competitive Recognition Event held at Inglewood High School.

Ms. Erma L. Morgan was in charge of the club.

GOSPELS HAVE ARRIVED

The Inglewood High School Gospel Choir, a group of 40 peppy, enthusiastic, and devoted students went through rigorous practices during lunch to help celebrate Dr. Martin Luther King's birthday. The audience's response during the assembly was overwhelming, when the choir, directed by Mr. Roy Jackson gave their "debut" performance.

CONCERT CHOIR

The IHS Concert Choir consisted of about 40 people. They have sung for several school functions. They have performed at such places as the L.A. County Fair, the Annual Christmas Concert, the Spring Sing, and graduation.

MADRIGALS

The Madrigals had many concerts this year. The talented group, which was selected by Mr. Roy Jackson, had sung at such places as the LA County Fair, Back to School Night, Community events, and the Christmas concerts. In February, the singers performed with the Inglewood Philharmonic Orchestra.

The Band Stands

The band continued its great tradition of marching and playing success. They returned to the San Bernadino Black History Parade to keep the title won the previous year. Other parades the band marched in were the Monrovia Black History Parade, The Redondo Beach Christmas Parade, and the Inglewood Clean Sweep Parade. The band also raised close to \$2,000 for equipment by holding fundraisers.

After years in the practice field wilderness, the band comes home.

MUNCHIES MAKE YEARBOOKS

The Annual Staff worked the WOOD in many possible ways. First of all the editor, Janine McNeely, was imported from the outside. However, import or not, she led the staff through rain, shine, or snow, mostly rain, especially on the floor. Munchies in the tummies were also a contributing factor this past year. "Give me food or no work," was the battle cry to be heard coming from A-3 year long. Tons and tons of whipped cream, cake, banana cream pies, pizza, twinkies, potato chips, and last but not least, Pioneer Chicken were consumed by each annual staff member.

Then there were the days that staff members arrived at 7:30 am to FINISH THOSE PAGES and MEET the DEADLINES. However, the staff was always happy to comply with a smile and more hard work. Other memories include the Mother-In-Law who was always lurking between Janine and Andre. E.T. was shy about doing pictures and Elliot just wouldn't eat those M&M's. Mia chomped her gum and Rent-a-Car arrived late AGAIN. When Munchies were planned, Robyn crabbed for more food. Not to be forgotten are those days that all of the WOOD came out of the closet. There were splinters for all. SB was what else there was to be said, and Erik forgot again. Also learned was the fact that Clarence was a singular and Ken just stared at everybody. Bowl's rages were something else. Poor Mary tried at first — but forgot it. Thomas and Jill went off campus again. Marshunda tried to completely disappear and Laurie ran around looking for more clubs. In conclusion, Terri finally finished those freshman basketball players, after driving everyone else wild. Traci discovered she was a poet. Mikie went to the "potty" again and Andrea could never find any long pants. Then the March 25, DEADLINE!! Just what else was there?

IHS Will Miss Dr. Worthington As She Retires

Dear Future Leaders,

You have completed another period of accomplishments in your life. The Board of Education extends best wishes for your continued success as you travel down the highway of life fulfilling all of your goals.

Sincerely,
Mrs. Rose Mary Benjamin
President
Board of Education
Inglewood Unified School District

Dear Graduates,

You have completed a major milestone in your life—graduation from high school. You have worked hard to reach this milestone so that you will be prepared to meet the challenges facing you in the future.

I join your parents and your teachers in extending congratulations to you and best wishes for your continued success and happiness.

Yours Truly,
Frances B. Worthington, Ed. D.
Superintendent of Schools

They Teach By The Golden Rule

Inglewood High School received a six year accreditation as a result of a visit by the Accreditation Committee last spring. The committee mingled with the students on campus, interviewing them formally and informally. Unobserved and impartial, they made their decision; IHS was a sound educational facility.

Mr. Patakas Teaches "Wood"

Mr. John Patakas, a native Californian, born in Monterey Park, has been a teacher at IHS for 18 years. He has taught stage craft and electronics and is presently teaching a woods class.

Mr. Patakas enjoys working here. When asked what he thought of the students, he replied, "Kids never change, but they must earn my respect." He stated that he is here because of the students.

Mr. Fittus is giving notes to his class.

Senior Year- Where Past And Present Meet

Inglewood High School's 12th grade counselor, Ms. Wilma Herrick has been teaching here for 10 years. Her last 8 ½ years, she has been a counselor. During her high school years, she was on the pep squad. She said that she has always liked school.

One time a student tried to "con" her into doing something that she disagreed with. This was one of the worst things a student ever tried to do to her.

She graduated from Cal State LA (BA) - from Pepperdine MA - also from UCS (administrative Cred.). When asked why did she chose the career she now has, and she stated, "I like working with students and I will help as much as I can—if the student will work just as hard."

Madame Klein shows a definite interest in grading her papers.

Mrs. Nixon

Mrs. O'Bryan says that there is now definite proof that one and one is two.

Mrs. Nixon came to Inglewood High School in 1978. She is one of the most admired teachers on campus. Any student who is enrolled in her class is bound to leave with a positive attitude and respect for themselves.

Mrs. Nixon attended Texas Southern University where she received a double degree in chemistry and math. Her hobbies and interests are traveling, bridge, and racquet ball. She is a strong and positive thinking teacher; therefore, she likes to stress the point of how important it is for a student to be self-motivated and to discipline him or herself without always seeking help from peers. Mrs. Nixon believes that God's greatest gift is the ability to think independently.

CLOSING

At the Wood . . . that's it . . . that's
all there was . . . but it was good.

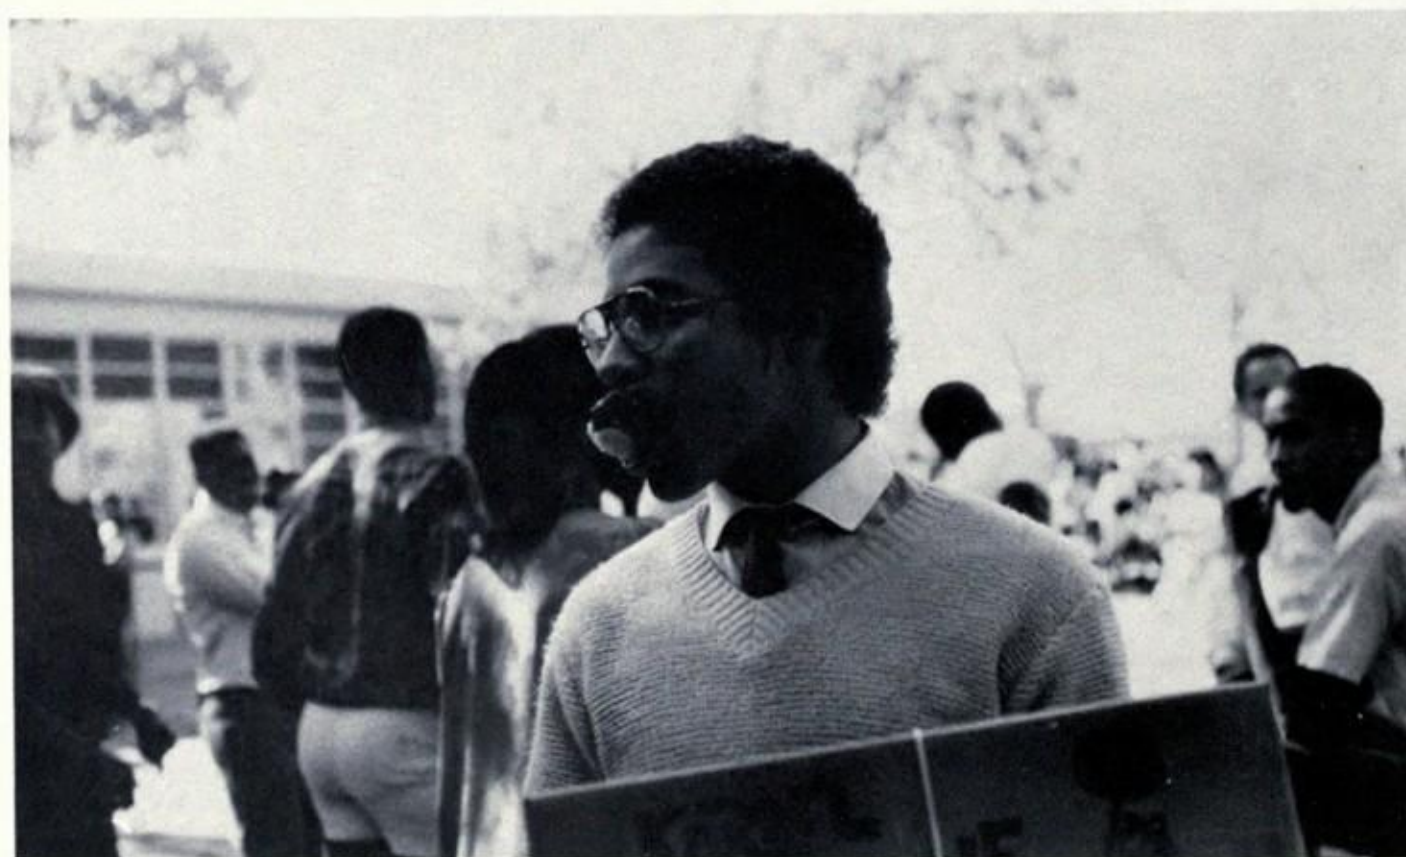

Wooden Fads Became Wooden Facts In '83

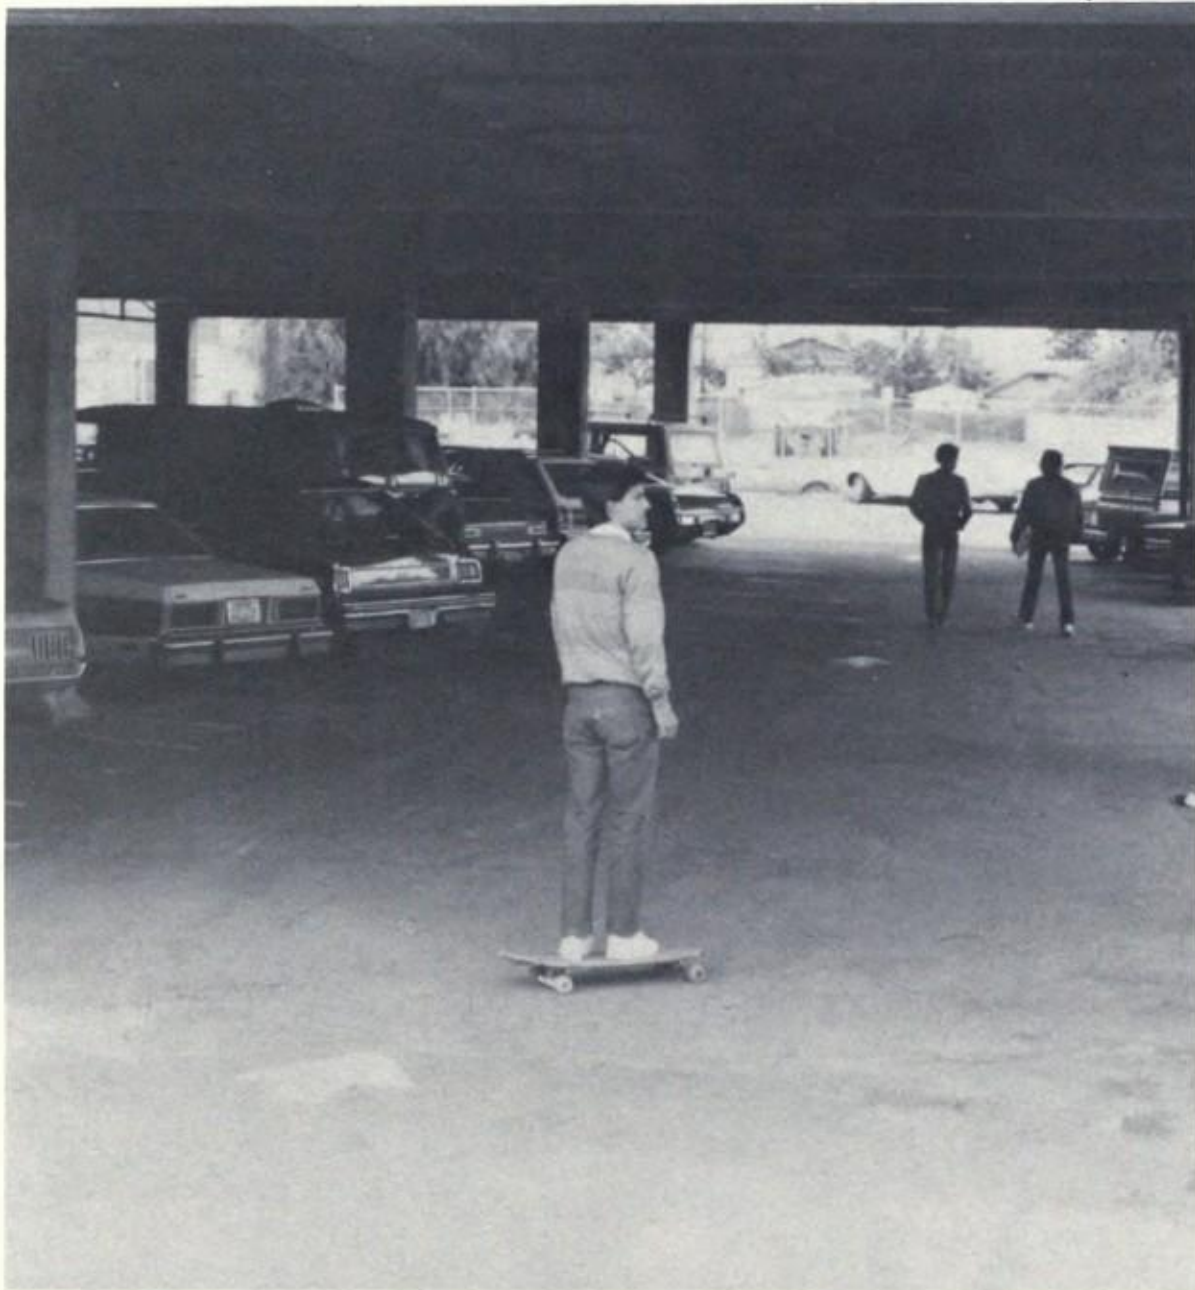

The time has come to close the book. Stop! Look again. It was hats, coming everywhere. "I'm being attacked by hats." Well, everybody remember the days, when your parents were wearing these types of hats. Well they are back in style. Not only are you seeing hats on someone you might know, but on ones that you don't know. The types of hats are just out of this world. They are not just hats, but they are apples hats, B-Bops, and Baseball Caps. The Wooden Fads became wooden facts in '83 when the hats drop the bomb on us.

Wooden Fads

The time has reached the wooden days. It's not the same old style; it's all about the new styles. Were you just "kicking it" with the old faded Levi's, the button down shirts, the penny loafers, and the apple hats? So now the wooden fads became wooden facts in '83.

Oh my god!
Fer sur! Fer sur!
Totally!
Radical!
Awesome!
Barf Out!
Gag me with a spoon!
Like Bag Your Face I'm sure!
I'm Like Tötally Freakin' out
You Know?
Me, excused!

Looking back on '83"
The year was as live as it could
be.
There were some laughs,
There were some tears,
But they will be remembered
through the years.

The Fun We Had- We'll Never Forget!

Indians At The Wood Go On And On.

Although the school year has ended, Inglewood High has had success. First, they were computers which distributed report cards and attendance sheets. Secondly, there were new bleachers at the stadium as the "stars" aroused everyone's "sentsational" wooden spirit. Last but not least, there were the new lockers designed to insure security. As seniors, they looked back at the school and sometimes wish they were still freshmen so they could be here next year to enjoy the improvements.

During the 1982-83 school year the "hang-outs" were Westwood, The Fox Hills Mall, Starlite Roller Skating Rink, and the "beach." During the weekend students went to either one of these places and recognized nearly everyone there.

Looking back over the "wooden" years brings memories that will not be forgotten. Although the ending of school is upon us, it is also a time for the seniors to take a step forward and distinguish themselves as independent adults.

Dedra Avery and Kellie Sturgis share their memories of the Inglewood days.

Jingles In The Wood

One day in the year of "1999," I was doing *"The Walk"* on my way to "Inglewood" High. I meet a young lady by the name of "Grace." She was a real "Cutie Pie." Some of the fellas classified her as a "Freak Mama." I asked her what was her phone number; she replied, "777-9311". As we got on the subject of Zodiac signs, I told her I was a "Scorpio." She said, "Oooh, I Like It." Scorpions are "Totally Radical," "Like Fer Sure."

My buddy walked up to me and gave me *"The Message."* He told me that "Grace" loved to party and when she did she would really get "Wild n' loose." And I told him, when she goes to a party with me, I've got to show her how to "Body Slam." He told me I'd better "Jump to It," and I said I was going to "Do It." After our conversation I made a move to the "pad."

I called her the next day and told her, *"All This Love Is Waiting For You."* She thought I was "Truly" crazy, but I was just in an "A-U-T-O-matic" mood. She said when she first met me, that I had the "Look of Love" in my eyes and I said *"What About My Love."* Then the next thing I knew I was listening to a dial tone. For a while I couldn't understand why she gave me her phone number if she didn't like me? Oh well, *"These Are the Breaks."*

PRINCIPAL'S ADVISORY COUNCIL

The Principal's Advisory Council and School Site Council met monthly to advise the principal on school matters and to make decisions that affected the School Improvement Program. The group consisted of the principal, SIP Coordinators, teachers, staff representatives, and the students.

Programs launched by the group this year included: Reading Pause, Read-A-Thon, Writing Contest, Computer Lab, Spelling Bees, and a Most Beautiful Classroom Contest.

Members: Top Row: Louis Thomas, Tom Felder, George Beadle, Phyllis Van de Braak, Mike Guevara, Chris Johnson, Conchita Odabashian 2nd Row: Mr. Wronge, Yvonne Davis, Erma Morgan, Carolyn Galloway, Keith Scovell, Opaline Brice, Leslie Hollingsworth, Kim Hines, Evelyn Mainor, Jeane Wright, First Row: Mrs. Wronge, Lisa Wronge, Beverly Davis, Irma Banks, Ricardo Blandino, Lorraine Wright, Larry Lowe.

The football team's Booster Club was made up of spirited adults and parents. Their presence was notice at all the football games. Dressed in green and white, and waving their pom poms, these parents gave their all to cheering the team to victory.

SIP's First Writing Contest

The School Improvement Program (SIP) sponsored Inglewood High's first school-wide writing contest. The students and staff participated in this competitive event. They wrote essays or poems on the topic given: "What I would do with One Million Dollars?" Awards were given to each grade level winner and staff winner. The Grand Champion, Karen Frank, senior, received a trophy and pen set.

SIP Winners: Top row: Larry Lowe (11th grade winner), Ricardo Blandino (12th grade winner), Bot. row: Lisa Wronge (10th grade winner), Beverly Davis (9th grade winner), Irma Banks (staff winner, not pic: Karen Frank (Grand Champ.)

Sertoma Club

The Sertoma Club (Service to Mankind) of Inglewood is a civic minded group. The group was sponsored many noteworthy causes, one of which has been to contribute their time and effort to help the Annual Saff.

The Annual Staff members have been privileged to attend their meetings and to meet the members on an individual basis. In turn, the club has raised money to sponsor students, who attended a yearbook camp each summer.

Roster:

Marion Barnett, Edward Ricketts, Dean Scotfield, Kenneth Patton, Robert Taylor, Dick Ebinger, Burns Baker, Lyndon Callahan, Henry Popko, Bob Keller, Ward Watson, Tom Kamidoi, and Harry Frederickson.

THE "WOOD WORKED"- 'TIL THE VERY END!

As the 1982-83 school year ends, I can honestly say it's been a great year for this year's staff! This year's "The Wood Works" staff really worked! There was alot hustling for deadlines, taking pictures, and the all-time "Munchies Days." This year's staff was very dedicated in all that they did. There were times when we thought, "I just can't take it anymore," but we did, and the results were the best yearbook ever! This year the staff staff was made up of all SENIORS except two. Therefore, there was a lot of expertise as well as learning involved. Many of us won't forget some of the pressure we went through producing this year's "The Wood Works", but it was worth it all! The staff's aims were to use different ideas, some of which meant doing a little more work; and taking more pictures of students. All and all we tried our best to come out with the best book ever!!

I Remember

I can remember them clearly with their cheerful smile, who would have known they would be with us for just a while.

Though death is sad, it has no real season; they were with us for a special reason.

Oh, how suddenly, they passed this life away: I can remember speaking with them just the other day.

Death separates us from life and the past; life, a mystery how long will it last?

Tell your family and friends that you love them now; because death is sudden, and living is now.

Their memory is in our heart, and their friendship too; just remember, Burns, Bagley and Adams we all love you.

God took you from us, so soon, we wonder why?

I wish we had the chance to say Goodbye.

To Aaron
It has been fun knowing you
this year. Have a nice summer and please don't
be a bumb. Don't make any baby strawberries.
Always remember me.

Love always
Tata! c/o 86'
P.S. your car is very sporty!
Stop buying your clothes from
Zady's even if you get a 30%
discount. Just kidding.
